March 20, 2020

San Juan County Visitors and Residents,

As of 3/20/20 there are still no confirmed cases of the coronavirus in San Juan County. We want to thank everyone that is heeding the President's advice and the Governor's advice for social distancing and to avoid all nonessential travel.

We ask all visitors, potential visitors, and county residents to please stay home. Avoid all unnecessary travel, right now. Avoid all leisure traveling, right now. Let's all wait this out together.

We encourage you to come visit us when this is over.

For visitors *who are already* in the area, please refer to: [www.utahscanyoncountry.com/covid19-travel](http://www.utahscanyoncountry.com/covid19-travel) or call 1-800-574-4386 as you plan your departure to be with your loved ones during this unprecedented event.

Sincerely,

Kirk Bengé  
Director  
San Juan Public Health
