

ANNUAL REPORT 2018

WASATCH COUNTY WILL DEVELOP A VIBRANT AND SUSTAINABLE ECONOMY

A MESSAGE FROM THE BOARD

On behalf of the Heber Valley Tourism and Economic Development board of directors, I'm excited to present the 2018 annual report which highlights some of the key accomplishments from this past year. As Wasatch County continues to grow at a rapid pace, the need for thoughtful economic development planning has never been greater.

The economic development board and staff are committed to working together to enhance our local economies while maintaining a strong focus on our quality of life. As an inter-local board, we are lucky to have the participation and support of Wasatch County, Heber City, Midway City, and private businesses that participate in the Heber Valley Chamber of Commerce. Working together and creating a unified vision will

enable all Heber Valley communities to work for a brighter future.

We hope you enjoy the accompanying annual report which highlights the success of 2018. As always, we appreciate the support of the Heber Valley Community.

Best Regards,

Mark Nelson

A MESSAGE FROM THE DIRECTOR

Following the trends from the past several years, 2018 produced great results for Wasatch County's economy. Many new commercial projects, and an increase in tourism revenues, reflect the excitement people have for living, working, and playing in the Heber Valley area.

Throughout the year, we've seen significant business expansion projects, including a \$60-million expansion between the Rocky Mountain Care facility and the Heber Valley Hospital. Other highlights include the development of a 10-point economic development plan, the launching of the first-ever Wasatch Back Economic Summit, the installation of new wayfinding signs, and our hosting the 2018 Outdoor Recreation Summit. Indeed, this year has been busy and exciting.

The enclosed annual report provides a more in-depth overview of the activities and results of our

tourism marketing efforts, our Chamber of Commerce programs, and our economic development initiatives. We appreciate the support of so many community partners, including our 250 members of the Chamber of Commerce, our local officials, and the many stakeholders in Wasatch County who continue to provide outstanding leadership and support. We look forward to continuing to work together to make 2019 even better.

Best Regards,

Ryan Starks

ECONOMIC DEVELOPMENT

POPULATION GROWTH

Wasatch County's population continues to grow at an accelerated rate of approximately 4.7 percent — a growth rate that tops the state of Utah and that is recognized as the fourth fastest growing county in the United States. With this growth comes the need for balanced, strategic planning.

STRATEGIC ECONOMIC DEVELOPMENT PLAN

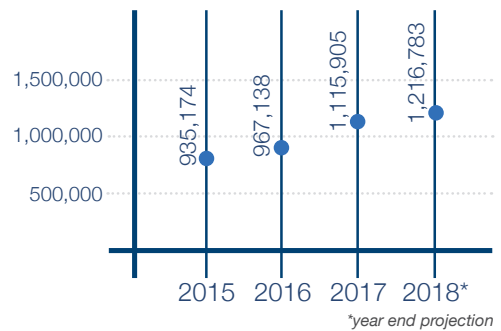

In 2018, we enlisted various stakeholders to help create a 10-point strategic economic development plan to help guide Wasatch County's future. This plan includes a focus on preserving open space while also targeting key industries that have the greatest growth potential. With the support of local civic and business leaders, we presented our plan to Governor Gary Herbert who endorsed the plan and agreed to support Wasatch County's economic priorities.

WASATCH BACK ECONOMIC SUMMIT

Regional collaboration is one of our top economic priorities. As such, our office partnered with the Park City Chamber/Bureau and the Summit County Economic Development office to host the first-ever Wasatch Back Economic Summit. This historic gathering brought 300 business and community leaders together at the Zermatt Resort in Midway. We had nine breakout sessions and two keynote speakers who addressed regional opportunities and challenges. This summit is an important step for the economic vitality of the Wasatch Back.

UTAH OUTDOOR RECREATION SUMMIT

For the first time ever, the Governor's Office of Outdoor Recreation hosted one multi-day conference instead of regional day-long summits. We submitted a bid and landed the conference which brought 400 industry leaders to the Heber Valley to discuss the outdoor recreation economy.

CHAMBER OF COMMERCE

CHAMBER MEMBERSHIP

The Heber Valley Chamber continues to add value to the business community as evidenced by the increase in membership numbers. In 2018, the number of members swelled to 250.

250 MEMBERS

MONTHLY LUNCHES

Each month, members of the Heber Valley Chamber gather for lunch, networking, and professional development opportunities. In 2018, our lunch topics included a Women's Business Forum, leadership lessons from the President of the Utah Jazz, local issues panel from civic and community leaders, and a lot of great networking opportunities.

HEBER VALLEY GOLF TOURNAMENT

This year's tournament at Wasatch Mountain State Park was the largest to date. Thanks to the support of our sponsors and players, we raised \$10,000 to give to Heber and Midway City's downtown beautification efforts.

AS HEBER VALLEY'S PREMIER NETWORKING ORGANIZATION, THE CHAMBER OF COMMERCE HAS CREATED PROGRAMS FOR BUSINESSES TO GET INVOLVED WITH THE COMMUNITY AND TO CONNECT WITH OTHER BUSINESSES.

COMMUNITY ALLIANCE FOR MAIN STREET

The Heber Valley Chamber of Commerce, Heber City, and Heber Main Street businesses re-formed the Community Alliance for Main Street (CAMS). This organization is tasked with enhancing Heber City's downtown by investing in art in public places, holding special events on Main Street, and beautifying the city. The Heber Valley Chamber of Commerce donated \$10,000 to support CAMS.

HEBER VALLEY DINE-AROUND

To support our amazing restaurants, the Heber Valley Chamber of Commerce partnered with two dozen local restaurants to promote a week-long dine-about. We promoted our restaurants through social media, print advertising, and through the "dine local" banners which were hung throughout Heber and Midway.

SHOP LOCAL SATURDAY

This year, the Heber Valley Chamber of Commerce partnered with 25 local businesses to offer discounts during the week of Thanksgiving. Approximately 11,780 bingo-card mailers were sent to residents to encourage them to "Shop Local." The culmination of the Shop Local promotion was the tree-lighting ceremony in Midway City. Additionally, participating residents won \$1,000 in prizes from supporting businesses.

2018 CHRISTMAS GALA

During our annual Christmas gala, 260 members and friends of the Chamber of Commerce gathered at the Zermatt Resort for a night of celebration and entertainment. In conjunction with the Heber Valley Rotary Club, the Heber Valley Chamber recognized Nate Sargent as the 2018 Citizen of the Year, Delta Stone Products as the Business of the Year, the Heber City Police Department as the Community Partner of the Year, Amy Tuddenham from the Heber Valley Hospital as the Chamber Ambassador of the Year, and Jessica Broadhead as the Chamber Employee of the Year.

BUSINESS OF THE MONTH

To recognize the outstanding businesses who support our community, the Heber Valley Chamber of Commerce selects a business of the month. The following were honored for this award in 2018:

RIBBON CUTTINGS

As a sign of a growing economy, the Heber Valley Chamber joined 22 new or expanding businesses by hosting ground breakings, grand openings, and ribbon cuttings celebrations.

TOURISM

ULTIMATE FAMILY REUNION GIVEAWAY

To promote Heber Valley as a destination for family reunions, we promoted a nine-month awareness campaign. By the end of the contest, approximately 7,000 people entered to win the Ultimate Family Reunion giveaway — a package including lodging for up to 30 people at the Homestead Resort and a family portrait at Stephanie Neal Photography. It also included free activities with Rocky Mountain Outfitters, the Heber Valley Railroad, Adventure Haus, Aqua X Zone, and the Homestead Crater. We targeted both in-state and out-of-state visitors using various social media advertisements, and we added each participant's email address to our tourism newsletter database.

FAMILIARIZATION TOURS

In 2018, we hosted seven large familiarization tours with journalists, ski representatives, travel guides and tour operators, and local media — totaling 57 people.

One of the FAM tours — the Secret Side of Sundance — was held in January, with journalists from Canada, Australia and the UK. The FAM showcased Heber Valley as an alternative destination to Park City with affordable rates, availability, and easy access to skiing and Sundance Screenings. This single FAM tour with eight journalists ultimately produced 12 articles and podcasts.

In May we hosted five journalists from the United Kingdom to highlight other activities and destinations in Utah. This FAM produced two stories in a tour operator guide and one for Rough Guides, a consumer facing travel website that is very popular in the United Kingdom.

Finally, we partnered with Utah State Parks to create the Good 4 Utah Road Trip — a special spotlight on the Heber Valley. This partnership led to four news stories on the Heber Valley's outdoor activities.

TO PROMOTE ACTIVITIES, EVENTS, MEETINGS, CONVENTIONS, AND OTHER TOURISM DRIVES TO INCREASE LOCAL ECONOMIC ACTIVITY AND OVERNIGHT STAYS IN THE HEBER VALLEY.

TRADESHOWS AND MEDIA EVENTS

To promote the Heber Valley area, we attended various shows and media events. In early 2018, we attended the Go West Summit in Salt Lake City — an international travel convention that focuses on individual and group sales. We met with 28 industry partners and tour operators to secure business for local lodging partners.

GO WEST SUMMIT. BOSTON SKI SHOW.

Later in the year, we partnered with Ski Utah and attended the Boston Ski Show. There, we met with and helped educate hundreds of ski travelers about Utah and the Heber Valley. While in the East Coast, we participated in large media events in New York and Boston. This enabled us to pitch story ideas to dozens of influential writers, journalists, and other media representatives.

LOCAL RADIO AND TELEVISION PROMOTION

To promote local events and activities in the Heber Valley, we partnered with the following Utah-based radio stations: 93.7 The Wolf (Utah County), 94.5 The Peak (Wasatch County), and 91.9 KPCW (Summit County). In addition to running regular ads on each of these stations, we also participate in weekly and monthly interviews to inform the public of the things to do in Heber Valley. We also partnered with Park City TV to spotlight a Heber Valley event, activity, or business each week.

SPECIAL EVENTS

Events continue to be an important pillar of Heber Valley's tourism economy. In 2018, the Heber Valley hosted many small and large events. To help support these events, the Wasatch County Council allocated \$50,000 to be issued to local event organizers. These funds were awarded by a tourism marketing committee and supported the promotion of 25 local events. In total, we estimate that approximately 300,000 visitors attended one of the 115+ events in the Heber Valley in 2018.

GOLF EPIC 90 PASS

To promote Heber Valley's epic golf scene, we partnered with the Utah State Parks and Crater Springs Golf Course to create the first-ever Epic-90 Golf Pass. This \$175-pass includes discounted rates to all five golf courses and encourages golfers to play all 90 holes of golf in the Heber Valley. Collectively, we sold 200 passes with a 90% redemption rate. Additionally, we further promoted our golf by hosting two live radio shows with 1280 the Zone.

DIGITAL & PRINT MEDIA

Our digital strategy for 2018 focused efforts on residents in Utah (Wasatch front), California (L.A. County and Orange County), and Texas (Dallas metro area). Digital ads were also posted through:

- skiutah.com
- utah.com
- ksl.com

Our print strategy focused efforts to reach Utah visitors and residents through publications such as:

- Ski Utah Magazine
- Utah.com Magazine
- Metropolitan New York Ski Council
- Discover Utah Kids
- Heber Valley Guide
- Mountain Express Magazine

Campaigns messaging themes included:

- Families that Play Together, Stay Together
- Stay Longer, Play Harder in Utah's Winter Wonderland

SOCIAL MEDIA

Social media strategy for 2018 focused efforts on targeted Facebook, Instagram and YouTube campaigns. Our audience included residents in Utah (Wasatch front), California (L.A. County and Orange County), and Texas (Dallas metro area).

2019 TOURISM MARKETING PLAN

WINTER WONDERLAND

Winter marketing in 2019 will help position Heber Valley as Utah's **Winter Wonderland**. To do this, we will focus on the many winter activities offered throughout the area — including the Midway Ice Castles, cross-country skiing and tubing at Soldier Hollow, the Homestead Crater, snowmobiling, ice fishing, ice skating, snow shoeing, and downhill skiing at Deer Valley Resort.

The campaign began in November of 2018 and will go through March of 2019. In November of 2019, we will launch a new series of promotional videos and continue the winter campaign through March of 2020.

The **Winter Wonderland** campaign will be promoted through a combination of digital, social, radio, and print ads. While the primary audience for this campaign is based in Utah, we will also target families in Southern California; Dallas, Texas; Boston, Massachusetts; and New York City.

UTAH'S BACKYARD PLAYGROUND

This year, we will align Heber Valley's three-season marketing efforts with the Utah Office of Tourism, and we will focus on similar out-of-state markets to create increased awareness and branding. Beginning in April, we will begin promoting the Heber Valley area as **Utah's Backyard Playground**. The campaign will end in October and will focus on the slow seasons to drive more seasonal tourism to the area.

We will highlight the abundant outdoor activities and adventures — including water sports, equestrienne events, ziplining, trail-related activities, and the Heber Valley Railroad.

Like the **Winter Wonderland** campaign, we will utilize a broad number of promotional vehicles, including social media, digital billboards, digital advertisements, radio promotions, television programming, and select print advertisements. The goal for the three-season campaign is to drive awareness to both in-state and out-of-state visitors, and to encourage multi-night stays.

MOUNTAIN MEETINGS IN MIDWAY

To capitalize on the volume and quality of Heber Valley's meeting spaces, we are launching the **Mountain Meetings in Midway** campaign in which our hotels and resorts will be spotlighted in Smart Meetings Magazine and in various other meeting publications. As part of this campaign, we will create a new promotional video and brochure to help tell Heber Valley's meetings story.

EPIC 90 GOLF PASS

Because golf continues to be a major draw for the Heber Valley, we will work with our lodging and golf partners to continue the **Epic 90 Golf Pass** program which entices visitors to buy a single 90-hole golf pass at a discounted rate. We will have live radio broadcasts from our golf courses, and we'll use digital and radio advertising to promote stay-and-play golf packages. We'll also partner with our courses to attend tradeshow,

distribute brochures, and feature Heber Valley golf on www.golfhebervalley.com.

SPECIAL EVENTS

Events in the Heber Valley continue to draw significant numbers of visitors while filling hotel rooms and restaurants. The economic impact of special events is almost incalculable. This year, we will award \$50,000 in grant monies to various event organizers through a competitive grant process.

The 2019 IBU Biathlon World Cup event will take place at Soldier Hollow in February, and much of the world will be tuned in for this unique competition. Throughout the year, we will work with Soldier Hollow, the Wasatch Events Complex, Utah State Parks, and other venues to recruit and promote world-class events.

TELEVISION ADVERTISING

In partnership with Utah's Fox 13, Heber Valley will be featured on The Place every other week from December to March. Each of the eight segments will highlight a different aspect of the Heber Valley — including activities, events, dining, and lodging. Additionally, Heber Valley will be promoted on television as the official "stay-cation" destination of Fox 13's promotion of The Place. To supplement the promotions on The Place, Heber Valley will also be featured in nearly 2,000 digital billboards throughout the state.

During the three-season tourism campaign, we will work with Fox 13, KSL TV, and other popular television programs to promote the Heber Valley.

DIGITAL ADVERTISING

From the synergy created by Fox 13, the Heber Valley will also offer a vacation giveaway package that will be promoted through Fox 13's social media channels. This giveaway contest will drive awareness of Heber Valley's activities while also increasing the number of social media followers and newsletter subscribers.

In partnership with the KSL TV Audience in Motion program, we will launch a significant digital marketing campaign with retargeting features. This promotion will reach visitors throughout Utah and surround Western states.

Similarly, the Heber Valley will be heavily promoted during the winter and three-season campaigns on Utah.com — one of Heber Valley's top awareness platforms. Utah.com ads will include a retargeting feature to further promote the Heber Valley to key audiences. Heber Valley will be featured as the primary destination on Utah.com's homepage during targeted months of the year, and various other key pages will feature the Heber Valley for both the winter and three-season campaigns.

The Heber Valley will also partner with the Utah Office of Tourism in utilizing native content and other theme-based Facebook promotions.

SKI UTAH

Heber Valley's partnership with Ski Utah continues to be fruitful, and in 2019, our ski promotions will be greater than any previous year. We are running a full-page

ad in the *Ski Utah Magazine* which targets out-of-state visitors. In addition to having a web listing and digital ads on www.skiutah.com, the Heber Valley is also being featured in a custom Facebook story and in a holiday email sent directly to skiers around the world.

RADIO ADVERTISING

With a focus on the Utah market, Heber Valley's activities and events are being promoted through KSL Newsradio, FM 100.3, 93.7 the Wolf, 94.5 the Peak, and 91.7 KPCW.

PRINT ADVERTISING

In addition to being featured in a full-page print ad in the *Ski Utah Magazine*, the Heber Valley will also run print ads in Utah's *Mountain Express Magazine*, *Heber Valley Guide*, *Heber Valley Life Magazine*, and *Life in Utah Magazine*. Additionally, the Heber Valley will work with Utah.com to create a unique, multi-page insert into the *Salt Lake Tribune* and *Deseret News* papers.

For the first time in four years, we are also updating our Heber Valley visitor brochure by adding a lot more content, itineraries, images, and maps. This updated brochure will be distributed through Certified Folder racks throughout Utah, and all lodging and restaurant partners will receive large volumes of brochures to share with visitors.

To highlight the beauty of the Heber Valley, we have also designed five scenic posters of the area with computer-made graphics. These posters and postcards will be used throughout our various marketing campaigns.

SOCIAL MEDIA

Heber Valley's social media channels continue reaching broad audiences, and in 2019, we will continue strategic messaging through Facebook, Instagram, YouTube, and Twitter. We will also run various social media ads and pre-roll videos to select audiences throughout the United States.

CONTENT CREATION AND NEWS STORIES

Throughout the year, our staff will write between 12-18 blog posts on www.gohebervalley.com. These posts will be shared through targeted social media platforms to create interest in Heber Valley activities and events. Additionally, we will work with several popular writers and bloggers to highlight the Heber Valley from a visitor's perspective.

To capitalize on the power of influencers, we will host strategic familiarization tours with select writers and journalists. We will also launch a new "Heber Valley" ambassador program in which we will partner with 12 high-profile influencers to help create destination awareness.
