Updated Big Game Regulations Summary

EFFECTIVE FOR 2023 BIG GAME SEASON

The Severe Winter Zone - License Reduction

The most notable changes in the 2023 big game license quotas are related to the severity and duration of the historic winter in the northwest corner of the state from Rangely to Steamboat Springs and to the Wyoming state line. In this severe winter zone, the winter at lower elevations, where mule deer, elk, and pronghorn winter, was the worst in at least 70 years because of deep, long-lasting, low-elevation snowpack.

CPW recommended unprecedented license reductions within this severe winter zone to account for high mortality rates experienced by mule deer, elk, and pronghorn. These substantial reductions should allow herds to recover as quickly as possible:

- **MULE DEER:** In the severe winter zone, male and either-sex deer licenses are reduced by 5,000 (-48%) in D-2 (GMUs 3, 4, 5, 14, 214, 301, 441), D-6 (GMU 10), and D-7 (GMUs 11, 12, 13, 22, 23, 24, 131, 211, 231) combined. Female licenses are reduced by 2,900 (-94%) and to the minimum of 10 licenses per hunt code in D-2 (GMUs 3, 4, 5, 14, 214, 301, 441) and D-7 (GMUs 11, 12, 13, 22, 23, 24, 131, 211, 231) combined.
- **ELK:** In the severe winter zone, antlerless elk license recommendations are reduced in E-2 (GMUs 3, 4, 5, 14, 214, 301, 441) by 5,600 (-89%) with all public cow hunts reduced to the minimum of 10 licenses per hunt code. In E-6 (GMUs 11, 12, 13, 23, 24, 25, 26, 33, 34, 131, 211, 231) antlerless licenses are reduced 8,700 (-63%) and for E-21 (GMU 10) the reduction is 400 (-60%) antlerless licenses.
- **PRONGHORN:** In the severe winter zone, pronghorn male and female license quotas are reduced to the minimum of 10 per hunt code. Male licenses are reduced by 1,100 (-74%) and female licenses are reduced by 700 (-83%) combined for all DAUs. Affected DAUs include PH-9 (GMUs 3, 4, 5, 13, 14, 131, 214, 301, 441), PH-10 (GMU 11), PH-11 (GMUs 1, 2, 201), and PH-34 (GMUs 12, 23, 211).

Elk Over-The-Counter Season Dates

The duration of the second and third rifle seasons for over-the-counter bull elk licenses have been reduced to five days if used in GMUs 3, 4, 5, 11, 12, 13, 14, 23, 24, 131, 211, 214, 231, 301, and 441. The second rifle season is reduced from Oct. 28–Nov. 5, 2023 to Oct. 28–Nov. 1, 2023, and the third rifle season is reduced from Nov. 11–Nov. 17, 2023 to Nov. 11–Nov. 15, 2023. If such licenses are used outside the severe winter GMUs, the full season dates apply. (See page 40)

Late Season Youth Pronghorn Hunts

New regulations specifically require youth hunters to have unfilled **limited** doe or either-sex pronghorn licenses to participate in late season youth pronghorn hunts. These changes were made to align regulation with the approved Big Game Season structure for 2020-2024. Previous regulation did not require the unfilled license to be a limited license. (See page 19)

WHAT'S NEW: 2023

- ▶ **OVER-THE-COUNTER RIFLE BULL ELK SEASONS REDUCED TO 5 DAYS FOR SOME GMUs IN THE NORTHWEST:** The duration of the second and third rifle seasons for over-the-counter bull elk licenses have been reduced to five days if used in **GMUs 3, 4, 5, 11, 12, 13, 14, 23, 24, 131, 211, 214, 231, 301, and 441**. The second rifle season is reduced from Oct. 28–Nov. 5 to Oct. 28–Nov. 1, and the third rifle season is reduced from Nov. 11–Nov. 17 to Nov. 11–Nov. 15. *See page 40.*
- ▶ **UPDATE TO YOUTH PRONGHORN LATE SEASON REQUIREMENTS:** Youth must have an unfilled **limited** pronghorn doe or either-sex license for a season anywhere in the state that has ended. *See page 19.*
- ▶ **LIMITED LICENSE ALLOCATION & PREFERENCE POINT REQUIREMENTS HAVE CHANGED:** The 3-year preference point average used to determine the high-demand hunt codes that fall into the 80/20 allocation split has been modified to a rolling 3-year average updated annually, with a 1-year lag. *See "Nonresident License Allocations" on page 4 for more.*
- ▶ **UPDATED HYBRID DRAW LIST:** The hybrid draw list has been updated based on the 2019–2021 draws. *See page 19.*
- ▶ **GMU BOUNDARY NAME REVISION:** The boundary mentioned in GMU 54 for rifle elk hunt E-F-054-P5-R has been updated to Red Gulch following the renaming by the U.S. Board on Geologic Names. *See page 49.*
- ▶ **BOUNDARY MODIFICATIONS FOR SOME GMUs:** See the updated descriptions for GMUs 8, 123, 124, 125, 128, 129, 135 and 191 starting on page 69, "Game Management Unit (GMU) Descriptions."
- ▶ **MOUNT EVANS HUNTING CLOSURE MODIFIED:** Hunting is prohibited on Mt. Evans Summit Lake cirque, and within one-quarter mile (changed from one-half mile) of either side of the centerline of Mt. Evans Hwy. (Colo. 5). *See page 68.*
- ▶ **NONRESIDENT COW ELK LICENSE FEE IS NO LONGER DISCOUNTED:** *See page 5.*
- ▶ **MANDATORY CHRONIC WASTING DISEASE (CWD) TESTING IN SELECT GMUs:** In 2023, CPW will require mandatory submission of CWD test samples (heads) from all deer harvested during rifle seasons from specific hunt codes. **Not all hunt codes in a unit were selected for mandatory CWD testing.** Hunters that harvest a deer in the specified hunt codes will be required to submit their deer head to a CPW submission site for testing. There will be no charge for mandatory testing. Get more information about where and how to submit a CWD sample: cpw.info/cwd
If a hunter is not selected for mandatory testing but wants to know whether their harvested deer or elk has CWD, they can submit their animal's head and pay a testing fee of \$25. In 2023, testing fees for voluntary submissions will be waived for all moose statewide and all deer from hunt codes that were not selected for mandatory testing but are within the same GMUs that were selected for mandatory testing. Voluntary submissions are accepted annually statewide. *See page 22 of the "Deer" section for a list of the mandatory GMUs and page 13 for more about CWD.*
- ▶ **A BRIEF PERIOD TO SURRENDER YOUR LICENSE AFTER THE PRIMARY DRAW AND NOW THE SECONDARY DRAW IS AVAILABLE:** Customers who are successful in the primary or secondary draw will be provided with a short period when they can decide to surrender their license if they no longer want it, receiving preference point restoration to the pre-draw level, a refund of the license fee and removal of the license from the customer's account.
The deadline for the primary draw surrender period is Mon., June 5, at 11:59 p.m. MT. The deadline for the secondary draw period is Mon., July 10, at 11:59 p.m. MT. If we're unable to charge the credit card on file in your account by the payment deadline (June 16, 11:59 p.m. MT for the primary draw; July 21, 11:59 p.m. MT for the secondary draw), your license will be forfeited, and you will lose **BOTH** the license and any preference points you used to draw it. *See page 8 for more details.*
- ▶ **REMEMBER THAT YOUTH-ONLY HUNT CODES ARE PART OF THE YOUTH PREFERENCE DRAW!** The same hunt code choice requirement applies: If youth enter more than one hunt code on their application, **ALL HUNT CODES** must be youth-preference-eligible hunt codes and/or youth-only hunt codes to qualify for youth preference.
Eligible hunt codes for youth preference are limited license hunt codes for doe pronghorn, antlerless or either-sex deer, and antlerless elk. *See "The Draw(s): Youth Draw Preference" on page 17 for more information on youth hunting.*

PLANNING YOUR HUNT

Call 303-297-1192 or 303-291-PLAN (7526) for more help getting started!

This brochure will help you decide which big-game species you'd like to hunt, when and where you'd like to hunt, which method of take you'd like to use and the requirements for getting your hunting license. It only takes a few steps to plan your hunt!

1 DO YOU HAVE YOUR HUNTER EDUCATION?

You'll need to have your hunter education certification and card number before applying for the draw(s) or purchasing a hunting license if you were born after Jan. 1, 1949. Remember that you *must* carry proof of hunter education in the field when you hunt! See pages 5–6 for additional license requirements and how to obtain an apprentice certificate.

2 WHICH SPECIES DO YOU WANT TO HUNT?

Colorado offers 10 big-game species. This brochure has hunting rules and options for deer (mule and white-tailed), elk, pronghorn, moose and bear. Pick the species and sex you're interested in hunting: Page 11 has information that helps identify different big-game animals.

3 WHERE DO YOU WANT TO HUNT?

Colorado is divided into hunting areas called game management units (i.e. GMUs). It's important that every hunter knows the boundaries of their hunting area, including private land boundaries. Check out the state map and unit descriptions in the back of this brochure or online: cpw.info/maps

4 WHEN DO YOU WANT TO HUNT?

In general for deer, elk and bear hunting, archery season starts in early Sept. and lasts almost a month. Muzzleloader season starts in the middle of archery season, and four rifle seasons follow that. The first rifle season is limited to elk and bear hunting only. The second, third and fourth rifle seasons are for elk, bear **and** deer hunters, who will be in the field at the same time.

5 WHAT DO YOU WANT TO HUNT WITH?

Colorado has seasons for archery, muzzleloader and rifle/associated methods hunting. "Associated methods" are shotguns, handguns, muzzleloaders that are a minimum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows. Legal requirements for the various methods and transporting them in the field are described in this brochure.

6 TYPES OF LICENSES YOU CAN GET

Each year, a set (limited) number of licenses is allotted to each GMU. You can apply for the big game draw(s) to get one of these limited licenses, or after the draws are over, you can purchase a remaining (leftover) limited license when they go on sale.

Some licenses for elk, pronghorn and bear are also available without needing to enter the draw(s) and are not restricted in quantity (unlimited). These can be purchased over the counter after they go on sale online, by phone and in person at sales agents around the state.

7 READ THIS BROCHURE!

Now that you have a plan, be sure to read through this brochure to help get your license and be prepared out in the field.

The first 19 pages have all of your basic hunting information: new changes, license information, options and sales dates, general information, hunting laws, application information and deadlines, and how to read the hunt code tables.

Pages 20–67 break out each of the six big-game species in this brochure into their own sections. Each section has species-specific regulation changes, season dates, how to get more than one license and hunt code tables.

The last few pages, 68–73, provide a GMU map and detailed descriptions of the GMU boundaries and specific land restrictions.

COVER PHOTO

A white-tailed buck tending to a doe on the Eastern Plains. It's quite common for a buck to spend 48 hours or more with a doe it's tending, as she will only be receptive for approximately 24 hours. If the buck finds her early enough, he'll stay with her much longer than if getting to her during peak estrus.

HUNTING LICENSE TERMS & DEFINITIONS

LICENSE TYPES

◆ **Qualifying licenses:** A current-year qualifying license is required in order to apply for any of the big-game draws. *See page 4 for more.*

◆ **Limited licenses:** A set (limited) number of licenses are available for specific units and dates for each species, and are issued through an application and draw process.

LIMITED LICENSES INCLUDE:

Public land licenses: Licenses you can get through the draw(s) that are valid on all CPW-owned or leased public lands, private lands and most federal lands in the specific units listed on your license/in this brochure.

Private-land-only licenses: Licenses you can get through the draw(s) that are only valid on private lands in the specific GMUs listed on your license/in this brochure. **If your license hunt code has a "P" in the second-to-last part, it's valid on private land ONLY. For example: E-F-007-P5-R.** You **MUST** get landowner permission before applying for these licenses.

Leftover limited licenses: Licenses that weren't issued in the primary draw. They become the licenses eligible for the secondary draw, and any remaining licenses after the secondary draw become available as over-the-counter leftover limited licenses (*see "leftover limited licenses" below*).

Ranching for Wildlife (RFW) licenses: Licenses that are available on certain ranch properties for Colorado residents only. See: cpw.info/rfw

Season choice licenses: Licenses that let you hunt in any or all of the seasons (archery, muzzleloader and/or rifle and associated methods) in specified units with the correct method of take until your license is filled. These licenses are available for deer and bull or either-sex moose only. *See pages 32 and 61.*

◆ **Over-the-counter (OTC) licenses:** Licenses (unlimited, unlimited add-on bear and leftover limited) that are available without having to go through the draw(s). They do not require buying/having a qualifying license, do not use preference points and may be purchased any time before and during a season. They're available at over 650 sales agents around the state, including CPW offices and state parks, online, or by phone.

OVER-THE-COUNTER LICENSES INCLUDE:

Unlimited licenses: Licenses that are not restricted in quantity by CPW. You may purchase these licenses when over-the-counter licenses go on sale. "Unlimited" does not mean you can purchase an unlimited number of licenses: *See the "List A, B & C" definition at top right.*

Add-on bear licenses: If you have an archery or muzzleloader deer or elk license, you can purchase an OTC bear license for the same method of take. At least one hunting unit must overlap on both licenses. *See the deer and elk hunt tables for available hunts (look for the bear paw symbol!), pages 20 and 35, and "Bear," page 66.*

Leftover limited licenses: Licenses that weren't issued in the primary or secondary draws go on the Leftover List. Reissued licenses (*see "reissues," bottom right and page 8*) also go onto the list. These are available for purchase in person, online or at sales agents starting on leftover day.

◆ **Landowner preference program (LPP) vouchers:** The LPP encourages private landowners to provide habitat for the benefit of wildlife populations and to relieve hunting pressure on public lands. Deer, elk and pronghorn vouchers are allocated to landowners who meet certain qualifications. Applications are drawn during the primary draw, and successful landowners receive a voucher for each winning hunt code. The voucher is transferred directly to a hunter, who then purchases a license to hunt. *See page 7 and cpw.info/LPP.*

BIG GAME DRAWS

Primary draw: The first, main big-game draw of the year for hunters applying for limited hunting licenses.

Secondary draw: This draw replaces the big-game leftover draw from past years and includes deer, elk, pronghorn and bear. Applicants can apply for the secondary draw whether or not they applied for the primary draw. Preference points are not used or awarded in this draw.

LIST A, B & C

List A, B & C: All big-game hunting licenses are either List A, B or C, as indicated in the hunt code tables (*see image at right*) or next to most of the OTC maps. The List types exist so that you know if you can get more than one license for the same species:

RIFLE — LIMITED LICENSES				
14, 16, 161 Mt. Zirkel	Sept. 10-18 Early	Buck	D-M-014-E1-R	A
14, 16, 161 Mt. Zirkel	Sept. 10-18 Early	Buck	D-M-014-E1-R	A
Wilderness	Oct. 29-Nov. 6	Buck	D-M-004-O2-R	A
4, 14, 214		Doe	D-F-004-O2-R	A
		Buck	D-M-004-O3-R	A

- ◆ **List A:** You can only get **ONE** List A license = **A** *Sample rifle deer table, page 27*
- ◆ **List B:** If a hunt is List B, you can get up to **TWO** licenses: one List A license and one List B license, or two List B licenses = **A+B** or **B+B**
- ◆ **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc.** or **B+B+C+C+C, etc.**

PREFERENCE POINTS

Preference points: Preference points help hunters to be successful in future primary draws because points add up per species until an applicant draws a first-choice license. One preference point is awarded to each applicant who qualifies for and **DOES NOT** draw their first-choice limited license for deer, elk, pronghorn or bear in the primary draw, or who applies using a specific preference-point hunt code that gets them a preference point only as their first choice.

Weighted preference points: For moose, Rocky Mountain bighorn sheep and mountain goat, applicants with at least three preference points will be awarded a weighted preference point in subsequent draws and will be given weighted preference during the license draw. **See page 9 and cpw.info/weighted-preference for more details.**

OTHER DEFINITIONS

Carcass tag: The bottom portion of a hunting license, to be signed, removed and kept with the carcass **ONLY** after harvesting the animal. *See page 16.*

CWD: Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose, and has been found in several regions in the state. In 2023, CPW will require mandatory submission of CWD test samples for deer from certain hunt codes. *See pages 13 and 20.*

Float groups: When the quota — or number of licenses available — is assigned to a group of hunt codes, rather than just one, that is considered a float group. If you draw or purchase a hunt code in a float group, you may exchange that hunt code for another hunt in that group for a fee as long as your season hasn't started.

GMU: Hunttable areas are broken down into units called "game management units." These units help you decide where you'd like to hunt. *See the GMU map on the inside back cover.*

Method of take: Colorado has hunting seasons based on archery, muzzleloader, and rifle and associated methods. "Associated methods" are shotguns, handguns, muzzleloaders that are a minimum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows. *See table on page 14 for details on which method you can use to hunt each of the big-game species in this brochure.*

Refunds: You can get a refund **OR** have your preference points restored for a big-game license that you draw. You must return the license to CPW at least 30 days before the start of the season for which the license is valid.

Reissues: Most limited licenses that have been returned will be made available to other hunters through a reissue process. Returned limited licenses that took 5 or more preference points to draw will be offered to the next applicant in line, up to 5 applicants. Those that took 4 or fewer preference points to draw will be available to the public on the Leftover List.

Exchanges: You can exchange a license, as long as the license you want to get is for a hunt code for the same species as the current license and there is quota remaining (except for float groups and some unlimited licenses). In most cases, you can exchange from an OTC license to a limited license of the same species and vice versa. Note that there are no refunds or preference point restorations available on exchanged licenses. The fee to exchange is \$5. Once a season starts, an exchange is no longer available.

LICENSE OPTIONS, AVAILABILITY & DATES

REMEMBER! You may submit one application for each species, per draw, per year. For each draw application, you may fill in up to **4 hunt code choices**.

NONRESIDENT LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points an adult Colorado resident needed to draw a specific license on average during **NEW the previous three limited license draws with a 1-year lag (the 2023 draw allocation will be determined by the 2019, 2020, and 2021 limited draws)**.

For more information, read the CPW Big Game Hunting License Distribution FAQ or subscribe to our Hunting eNews for the latest information: cpw.state.co.us

1. For **NEW elk, deer, pronghorn or bear (previously only elk or deer)** hunt codes that required six or more points for an adult Colorado resident to draw, up to 20 percent of the licenses may go to nonresidents. These hunts are designated in unit tables by a + under the SEX column.
2. For hunt codes that required fewer than six points for an adult Colorado resident to draw an **NEW elk, deer, pronghorn or bear** license, up to 35 percent may go to nonresidents.
3. Nonresident allocations may increase if licenses remain after all Colorado resident first choices have been drawn for that hunt code.
4. License allocations do not apply to private-land-only and Ranching for Wildlife licenses.
5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation; if all nonresident allocation is gone, the group will not draw.
6. Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.

LICENSE FEES & REQUIREMENTS

All hunting license applications for the draws are only available **ONLINE** (go to cpw.info/buy-apply) or **BY PHONE** at 1-800-244-5613.

WHAT YOU NEED TO BUY A LICENSE

- 1** ▶ **PROPER IDENTIFICATION AND:**
▶ **PROOF** of residency for Colorado residents (page 6).
 - 2** ▶ **PROOF** of hunter education (page 6).
 - 3** ▶ **HABITAT STAMP:** A 2023 or lifetime Habitat Stamp is required prior to buying a license or purchasing a qualifying license to apply for the draw(s) for anyone ages 18–64. One will be automatically added to your purchase, if applicable (page 6).
 - 4** ▶ **QUALIFYING LICENSE:** Required **ONLY** for participation in the big-game draws (page 6).

LICENSE REQUIREMENTS

- ▶ You must carry proof of hunter education while in the field, unless it is verified and your license is marked with a "V." To get your hunter education card verified, take your hunter education card to a CPW office or state park.
- ▶ You may hunt only the animal, sex, season, unit(s) and method of take authorized by the license, and you must follow the specific land-use rules. Complete season dates may not be printed on the license because of space constraints. Check the details in this brochure for your specific license.
- ▶ It is illegal to give false information to obtain a license. It also is illegal to alter a license, or to loan, transfer, sell or give your license to someone else.
- ▶ If you lose or destroy your license, a duplicate is available for half the price of the original license, not to exceed \$25. You can get a duplicate before the season opens from any sales agent. After the season begins, duplicate licenses are available only at CPW locations.
- ▶ Licenses expire on the expiration date printed on the license.
- ▶ Nonresidents can continue to use their combo fishing license after harvesting a big-game animal, as long as the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact. The fishing license is good through March 31, 2024.

- ▶ The physical residence address you give to buy or apply for a license must be the same as the address given for Colorado state income tax purposes.

OTHER LICENSE OPTIONS

LANDOWNER PREFERENCE PROGRAM (LPP)

FOR LANDOWNERS:

1. Deer, elk and pronghorn licenses (*in units that are totally limited for all rifle licenses*) are allocated to deeded landowners who own at least 160 contiguous acres of private agricultural land. Further qualifications apply: cpw.info/LPP
2. Landowner preference quotas are:
 - ▶ **GMUs WEST OF I-25:** 10 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher.
 - ▶ **GMUs EAST OF I-25:** 15 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher and may only be transferred to a youth or an immediate family member.
3. LPP applications are drawn just before CPW's public limited drawing. Successful landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as public applicants.
4. The deadline to register for 2023 has passed. Registrations for 2024 may be submitted through Dec. 1, 2023, at the web address listed above. Registrations are valid for up to five years.

FOR HUNTERS:

1. The landowner or designated land manager must transfer the voucher directly to the hunter. A voucher that has been transferred by any person who is not the landowner or designated land manager is void. A voucher that is brokered for another person is void. A hunting license obtained for use with a void voucher is also void. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher.
2. Landowner vouchers may be transferred one time only. The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner or designated land manager hands (or mails) the voucher to the hunter.
3. If a hunter cannot use a voucher, the voucher becomes **VOID**. The voucher **CANNOT** be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.
4. Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher. List A, B or C is printed on the voucher. *See pages 20, 36 and 53 for details.*
5. The transfer of a voucher by a landowner or designated land manager must include permission to access and hunt all of the registered land for which the voucher was awarded, and for the entire season for which the voucher was awarded, without discrimination among hunters entering the land. Restrictions are not allowed, except for manner of access (*i.e. foot, horseback, vehicle*) reasonably necessary to prevent damage to land.
6. The hunter must take the voucher in person to a sales agent or CPW location to be redeemed for a proper and valid license **PRIOR** to hunting. The appropriate license fees are paid at that time.
7. A list of landowners is **NOT** available from Colorado Parks and Wildlife.

You must relinquish your license **AND** carcass tag at least 30 days before opening day of the season for which the license is valid.

PREFERENCE POINTS

- ONE PREFERENCE POINT IS AWARDED PER SPECIES APPLIED FOR** to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code in the primary draw for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code (*see below*).
Preference points are only used during the primary draw, they do not apply for the secondary draw.
- YOUTH AGES 12–17** can apply for a point. Youth age 11 can also apply for a point, provided they turn 12 in 2023.
- PREFERENCE POINT HUNT CODE:** You can gain a preference point as a first choice on your application to use another year; specific preference-point hunt codes are listed at the beginning of each species section in this brochure. You can also choose other hunt codes as your second, third or fourth choices. Do not submit a separate application for preference points, or both applications will be disqualified.
- IF YOU ARE ISSUED A FIRST-CHOICE LICENSE,** all accumulated preference points for that species become void and return to zero.
- POINTS ACCUMULATE** until you draw a first-choice license. **If an applicant fails to apply for a species or has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void.**
- PRIORITY** goes to those with the most points, except when the license quota or nonresident cap would be exceeded, and except for the hybrid draw. *See page 19 for hybrid draw information and hunt codes.*
- GROUP APPLICATION** priority is based on the member with the fewest points. *See "Apply as a Group for Hunts" at: cpw.info/apply-for-group-hunts*
- SECOND-, THIRD-, FOURTH-CHOICE,** over-the-counter, leftover limited licenses and the secondary draw don't use or generate points.
- PREFERENCE POINT FEE:** The preference point fee does not apply to deer, elk, pronghorn or bear. See right for details on the preference point fee for moose, Rocky Mtn. bighorn sheep and mountain goat.
- CURRENT PREFERENCE POINT LEVELS** will be listed in your CPW account: Go to cpw.state.co.us and click "Buy and Apply."
- PREFERENCE POINTS ARE NOT TRANSFERABLE BETWEEN HUNTERS.** Points are awarded for specific species, not for hunt codes, sex, unit(s), season(s) or method of take.
- ACTIVE DUTY U.S. MILITARY** stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the U.S. are eligible, when they return home, to apply for preference points for any primary draws they missed while deployed. Applications will be available at the end of July.

See the draw application and preference point flowchart online:
cpw.info/qualifying-licenses

PREFERENCE POINT FEE

- ▶ Moose, Rocky Mountain bighorn sheep and mountain goat have a preference and weighted preference point fee. If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, **you'll be charged a \$50 resident or \$100 nonresident preference point fee.** *The fee is waived for youth and resident lifetime license holders. Residents who are in the military on active duty outside of Colorado can request a preference point fee refund.*
- ▶ You'll have the option to **OPT OUT** of paying the preference point fee while filling out your draw application(s), and therefore will not be charged the fee and will **NOT** acquire a preference or weighted point for 2023. This includes if you apply for a preference point hunt code as your first choice.
- ▶ If you apply for a point only, your credit card on file will be charged after the draw. The application fee, \$11.50 Habitat Stamp and qualifying license are nonrefundable. If your card can't be charged, we will email you. If you don't pay by the payment deadline (**JUNE 16**), you will forfeit your preference point for 2023.

WEIGHTED PREFERENCE POINTS

- There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado: moose, Rocky Mountain bighorn sheep and mountain goat.
- Weighted preference increases your probability of drawing and applies to both male and female licenses.
- Hunters can only accumulate up to three points for moose, Rocky Mountain bighorn sheep and mountain goat. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference.
- Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.
- This generates a new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

NOTE: The preference point fee for moose, Rocky Mountain bighorn sheep and mountain goat applies to preference points **AND** weighted preference points. Go to cpw.info/weighted-preference for more details.

GET THE LEAD OUT

Go to CDPHE.COLORADO.GOV/LEAD-HEALTH and click "For the public" to see the Lead in Harvested Wild Game factsheet.

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be an option that's right for you. Science tells us that ingesting lead can cause potential health problems over time. Risks are low for most people; however, you can also:

1. Use lead-free shot or bullets.
2. Choose a firearm with lower-velocity bullets, so the bullet fragments don't scatter as far into the wound. Liberally trim and discard meat damaged by the bullet when you process an animal.
3. Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating an entire batch of ground meat. If you don't grind the meat yourself, speak with your commercial processor about their equipment cleaning process between animals.
4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.

HOW TO READ HUNT CODES

HUNT CODES CONTAIN A LOT OF INFORMATION

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license draw(s) each year. **Hunt codes are an 8-character code used to designate species, sex, GMU, season and method of take:**

RIFLE — LIMITED LICENSES					
UNIT	VALID GMUs	DATES	SEX	HUNT CODE	LIST
	12, 24, 25, 26, 231 <i>Flattops Wilderness</i>	Sept. 2–10 <i>Early</i>	Buck	D-M-012-E1-R	A

Sample rifle deer table, page 27

For example, the hunt code at left reads:

D-M-012-E1-R

D = deer

M = male

012 = unit number 12

E1 = early season

R = rifle

A deer hunt, for a buck, in unit 12, during the early season for rifle.

D-M-012-E1-R

1 2 3 4 5

1 FIRST CHARACTER designates the species:

- D = deer
- E = elk
- A = pronghorn
- M = moose
- B = bear

2 SECOND CHARACTER designates the sex of the animal:

- M = male
- F = female
- E = either sex

3 THIRD CHARACTERS designate the game management unit (GMU):

If more than one unit is valid, only the lowest unit number will appear.

- 001 = unit 1
- 201 = unit 201
- etc.

4 FOURTH CHARACTERS indicate the season/hunt dates:

NOTE: Be aware that the zero (0) in the hunt units and the letter "O" in the season section look similar!

- O1 = first season
- O2 = second season
- etc.
- P = private-land-only hunts (followed by the season number: P1, P2, P3, P4, P5)
- E1 = early season
- L1 = late season
- K2, K3 = youth-only
- W or J = Ranching for Wildlife

5 FIFTH CHARACTER designates the method of take:

- A = archery
- M = muzzleloader
- R = rifle and associated methods
- X = season choice

"Associated methods" are shotguns, handguns, muzzleloaders that are a minimum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows.

OTHER HUNT CODE TABLE SYMBOLS

1. **A SQUARE BULLET (■)** in the **UNIT** column indicates there is a special note about that unit, displayed below the hunt code information.
 2. **A PLUS (+)** in the **SEX** column indicates hunt codes for which an average of at least six preference points are needed for a resident to draw that license. This is only an average and does not guarantee a license will be drawn.
- NEW** These calculations are based on a rolling 3-year average for the previous three limited license draws, with a 1-year lag.

HOW TO READ HUNT CODE TABLES

HUNT TABLES SHOW THE LIMITED LICENSES AVAILABLE

These are available through the primary or secondary draws. *Hunt tables for bear on pages 66–67 contain hunt codes for over-the-counter licenses. These are not available through the draw.*

Sample rifle deer table, page 27

1. **THE TITLE** above each table indicates the method of take for the hunt codes within that table. Start here to find the method of take you wish to use.
2. **THE UNIT COLUMN** is where you'll look next to locate the game management unit (GMU) you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units. This column also indicates which hunts offer add-on bear licenses in the over-the-counter deer and elk archery and muzzleloader tables: **Look for the bear paw symbol!**
3. **THE VALID GMUs COLUMN** will display information for each hunt and whether it is private land or has other restrictions. **If a hunt is labeled as private land, you must get permission from a landowner in that unit before you hunt.**
 - ▶ If the hunt code for a certain unit is also valid in additional units, the **VALID GMUs** column will list all the game management units (GMUs) where you can hunt with that same license.
 - ▶ If a unit has the same hunt details and hunt codes as another unit, the chart will read **"SEE UNIT ___"**. Look up the unit referred to for the correct hunt codes for your hunt.
4. **THE DATES COLUMN** lists the applicable season/hunt dates when the license is valid. Each unit may have multiple hunt dates, so please read carefully.
5. **THE SEX COLUMN** indicates which sex of animal can be hunted for that specific hunt code. Read the information carefully because the sex of an animal that is huntable in a unit may have changed from previous years.
6. **THE HUNT CODE COLUMN** displays the code you will use to apply for the license you want. There are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted, so please read carefully. *See section at left on how to read hunt codes.*
7. **THE LIST COLUMN** displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C.

For details, see the "List A, B & C: Get More Than One License" charts under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, **DO NOT** include the list letter on the application.

NOTE: You may submit one application for each species, per draw, per year. For each application, you may fill in up to 4 hunt code choices.

GENERAL INFORMATION

FIELD INFORMATION & REFERENCE: TOOLS, TIPS & RESOURCES FOR HUNTING COLORADO

BIG-GAME SPECIES IDENTIFICATION

1 ID FIRST, TRIGGER FINGER SECOND.
Take as much time as necessary to identify an animal before you shoot. Use your binoculars, not your rifle scope, to make a positive ID on an animal. Then put your finger on the trigger.

2 STUDY THE BODY.
There are telltale ways to tell different animals apart. Don't just look at an animal's antlers, study the entire head and body of an animal before you shoot. This will help distinguish elk from moose and mule deer from white-tailed.

3 WATCH FOR BABIES.
When hunting elk or moose, be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to an elk. Also, it is illegal to kill a bear that has cubs with it. Bear cubs younger than a year old cannot be harvested.

4 MAKE A MISTAKE?
Accidents happen. If you've shot the wrong species of animal in the field, don't panic. Field dress the animal, then call the local district wildlife manager or the CPW office nearest to you, listed at the front of this brochure. Admitting a mistake is a hunter's most responsible plan of action.

Check out the "Colorado's Big-Game Species" video! See how to identify our 10 big-game species: vimeo.com/478718115

ATTENTION! Moose can be found in the same habitat as elk in Colorado. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

TRAITS

- **BODY:** reddish, lighter brown, darker legs
- **NECK:** chestnut brown
- **SNOUT:** slender
- **RUMP:** pale yellow
- **BULLS:** antlers aren't palmated and have obvious brow tines coming off main beam

MOOSE

TRAITS

- **BODY:** black or dark brown with paler gray legs and belly
- **NECK:** large bell (beard) on throat
- **SNOUT:** overhanging, bulbous nose
- **BULLS:** palmated antlers with tines

ATTENTION! It is quite common to find both mule deer and white-tailed deer in the same areas, especially on the Eastern Plains. Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identification. The primary telltale characteristic a hunter should look for is the tail.

- **FACE:** Narrow face and long noses are a trait of young bears that are not yet adults

ADDITIONAL OPPORTUNITIES

HUNTING RESERVATION SYSTEM (HRS) FOR BIG GAME

Hunters must make big-game hunting reservations for all properties that require them, either online or through the reservation phone number: 1-800-244-5613. Reservations are available starting at 9 a.m. Go online to learn more and find properties that require reservations: cpw.info/bg-hunting-reservations

BIG GAME WALK-IN ACCESS PROGRAM

The Big Game Walk-In Access Program offers big-game hunting on many properties across eastern Colorado. There will be overlap in small-game and big-game seasons, and properties will be signed with WIA boundary signs.

In 2023 these properties are open for big-game hunting to properly licensed hunters during established big-game seasons from Sept. 1-Dec. 31 and to small-game hunting from Sept. 1-Feb. 28, 2024. Big-game hunters must possess a valid pronghorn, deer or elk license valid for the unit in which the Walk-In Access property lies. All normal WIA regulations apply. All big-game hunting regulations apply. Go to: cpw.info/wia

FISHERS PEAK STATE PARK HUNTING OPPORTUNITIES

Up to 7 hunters will have the opportunity to hunt deer, elk or bear, and one hunter for mountain lion, on Fishers Peak, near Trinidad, in 2023. Access is by permit only, issued by drawing. Information about how to apply for these opportunities can be found at: cpw.info/fishers-peak

SHED ANTLER COLLECTION CLOSURE

► **WEST OF I-25, PUBLIC LANDS:** Collection and possession of antlers or horns on public lands west I-25 from Jan 1-April 30, is prohibited. The public lands west of I-25 are open to collection and possession of shed antlers or horns May 1-Dec. 31 **ONLY**, except in GMUs 54, 55, 66, 67 and 551, where collecting antlers or horns is further restricted May 1-May 15 between legal sunset and 10 a.m.

► **WEST OF I-25, PRIVATE LANDS:** On private lands west of I-25, any person may, with lawful access, collect shed antlers or horns at any time.

► **EAST OF I-25, PUBLIC AND PRIVATE LANDS:** On any lands east of I-25, any person may, with lawful access, collect shed antlers or horns at any time.

NOTE: Public land management agencies may have additional restrictions on use of public lands and removal of shed antlers. Refer to land manager restrictions prior to shed hunting.

RANCHING FOR WILDLIFE (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by draw. Licenses are valid only for the season and ranch specified. RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch. Hunting rules differ for each ranch. Read ranch rules before applying: cpw.info/rfw

OUTREACH LICENSES: YOUTH & NOVICE ADULTS

Outreach licenses for youth ages 12-17 are offered to qualified organizations that teach youth participants about hunting techniques, hunting ethics and wildlife management. Outreach licenses for novice adults are offered to qualified organizations sponsoring educational, novice adult or youth hunting activities.

Outreach licenses for youth are offered on a first-come, first-served basis on private land for youth hunters ages 12-17. Organizations and youth hunters can learn more at cpw.info/hunter-outreach.

Outreach licenses for novice adults are offered on a first-come, first-served basis on private land for novice adult hunters who are 18 and older, and who have never purchased a big-game license, have not purchased a big-game license in the last 5 years, or who have only purchased a big-game license in the current or previous year. Organizations and novice adult hunters can learn more at: cpw.info/hunter-outreach

DREAM HUNT LICENSES

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12-21 with a terminal illness or life-threatening disease or injury.

Requested dates for hunting events must occur between Aug. 15 and Jan. 31 each year. Licenses are now offered in those units with at least one hunt code that requires 10 or more resident preference points to draw (excluding Ranching for Wildlife).

Before a license is issued, hunters must obtain written permission from the landowner to hunt on private land. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Submit requests to CPW, Hunter Outreach Coordinator, 6060 Broadway, Denver, CO 80216.

LEGAL BIG-GAME HUNTING HOURS

Legal hunting hours for big game are one-half hour before sunrise to one-half hour after sunset, unless specifically restricted. Go to cpw.info/hunting-resources for a link to current sunrise/sunset tables and more information.

GUIDES & OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202; 303-894-7778; or dpo.colorado.gov/outfitters.

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or the Colorado Outfitters Association online: coloradooutfitters.org

KNOW BEFORE YOU GO!

► HUNTER ORANGE & PINK

Hunters must wear at least 500 square inches of solid fluorescent orange or pink material and a fluorescent orange or pink hat, visible from all angles, while hunting deer, elk, pronghorn, moose or bear with any firearm license. **Archery deer, elk, moose and bear hunters are encouraged, though not required, to wear hunter orange or pink during the overlapping archery and muzzleloader seasons to help address safety concerns.** See page 15 for more details.

► HUNTER EDUCATION CARD

Your hunter education card must be carried while hunting, unless it is verified and your license is marked with a "V." To get your hunter education card verified, take your hunter education card to a CPW office or state park.

► CARCASS TAGS

Be sure to sign and detach your carcass tag from your hunting license directly **AFTER** you harvest your animal, and make sure you attach it to your take properly. See page 16 for all the information you need on carcass tags.

► OFF-HIGHWAY VEHICLES (OHVs)

All off-highway vehicles operated in Colorado on public lands or traveling on an OHV-designated route must have a valid Colorado OHV registration or a Colorado OHV permit (except on private property).

Registrations/permits are \$25.25, valid April 1-March 31. OHV permits (applicable for nonresidents and street-legal/plated vehicles) are available online at cpw.info/ohv-permit, at CPW locations and sales agents. Questions, call 303-297-1192. Renewal registrations are available online and at CPW locations. New registrations and transfers must be done in person or by mail. Visit cpw.state.co.us for details.

Contact each public land management agency for their current motor vehicle-use rules, regulations, agency maps and game retrieval specifications and hours. Most areas do not allow off-trail game retrieval with any motorized vehicle. If you witness or observe a violation of OHV misuse on public lands, please report it to any law enforcement officer in that area.

► MARK YOUR HARVEST SITE WITH YOUR GPS

Hunters who have GPS units are encouraged to mark the location of their harvest in the field. **This is especially important for hunters who harvest a moose or bear, as these species require mandatory inspections.** See pages 58 (moose), 63 (bear) and page 13. During mandatory inspections, hunters will be instructed to give a location of their harvest. Having GPS coordinates makes reporting simple and precise. Use your GPS to set a waypoint where you harvest an animal, and save the UTM or longitude and latitude coordinates. Bring that information to record on the check report form during harvest inspections.

► HUNTERS USING HORSES

If you are bringing a horse into Colorado from out of state, you must contact a veterinarian to get a Certificate of Health Inspection no more than 30 days before. Horses need a Coggins blood test for equine infectious anemia within a year before coming to Colorado. Call the Colorado State Veterinarian's office, 303-869-9130. Residents: Horses may require brand inspection before transportation. Call the brand inspector: 303-869-9160

► EAR TAGS, RADIO COLLARS

If you shoot a big-game animal with a collar or ear tag, report the number, color, harvest location and date to CPW, and return the radio collars.

HOW TO HELP OUT CPW

HUNTER SURVEYS HELP ASSESS HARVEST

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days. Deer, elk and pronghorn hunters may receive a phone call or email, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding (even if you didn't hunt or harvest) is an important part of setting future seasons and license numbers. If contacted, you can take the survey online at colobgharvest.com, or call the toll-free phone number 1-855-924-4278. The survey runs 24 hours daily, Oct. through mid-Feb. See the CPW website for details: cpw.state.co.us

HERD MANAGEMENT: YOUR INPUT IS WANTED!

Approximately every 10 years, each big-game population undergoes a herd management plan review process during which CPW updates management objectives for that herd. These plans set objectives for population size and the ratio of males to females. Management objectives influence decisions about how many licenses of each type can be made available in any given year.

Every plan update allows for public comment and review. CPW appreciates hearing from all interests to help guide decisions about how big-game populations are managed. Please do not miss these important opportunities to have your voice heard.

Information about current plans and opportunities to inform plan updates are available on our webpage. You can also receive notices by signing up for CPW's Insider email list from our webpage. Find herd management plan info: cpw.info/hmp

TURN IN POACHERS (TIPs) PROGRAM

The TIPs program awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of

big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Advise the charging officer of your interest in a TIPs award. Go to cpw.info/tips for the criteria to qualify for a preference point or license, or contact CPW for details at 303-297-1192.

MANDATORY INSPECTIONS & REPORTS FOR MOOSE & BEAR

MOOSE: Hunters must **personally present** their moose to a CPW office (*listed on inside front cover*) during normal business hours within 5 working days of harvest for a mandatory inspection. The inspection will include a mandatory report and lower incisor extraction. Heads must be unfrozen. Hunters must submit the head and lower jaw of antlered moose with antlers attached, or the head and lower jaw **OR** an incisor of antlerless moose.

Additionally, all moose license holders must complete and return a mandatory report provided by CPW within 30 days after their hunting season ends. **Anyone who does not complete and return it, including those who were unsuccessful or did not hunt, will not be eligible for a future moose license or point.** See *"Mandatory Moose Inspections,"* page 58.

BEAR: Hunters must **personally present** their bear to any CPW office (*listed on inside front cover*) during normal business hours within 5 working days of harvest for a mandatory inspection. The inspection will include a mandatory report, sealing and premolar tooth extraction. Heads and hides must be unfrozen. See *"Mandatory Bear Inspections & Seals,"* page 63, for more.

CERTIFIED HAY MUST BE MARKED

Hay, straw and mulch are illegal on federal land and CPW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing CPW property are exempt. For a list of weed-free forage, contact Colorado Dept. of Agriculture, 303-869-9031; Forest Service or BLM; or go to: colorado.gov/pacific/agconservation/weedfreeforage

CHRONIC WASTING DISEASE (CWD)

1 WHAT IS IT?

Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose. It causes animals to become emaciated, display abnormal behavior and eventually die. Infected animals often show no signs of illness.

2 WHERE IS IT?

CWD has been found in several regions in Colorado, as well as other states and provinces. For deer, infection rates tend to be highest in prime-aged mature bucks. See the *CWD prevalence maps for deer and elk on pages 21 and 37.*

3 MANDATORY TESTING 2023

In 2023, CPW will require mandatory submission of CWD test samples (heads) from all deer harvested during rifle seasons from specific hunt codes to better evaluate the prevalence of CWD in herds. There will be no charge for mandatory testing. **Not all hunt codes in a unit were selected for mandatory CWD testing.** Find the hunt codes selected for mandatory testing on pages 22–32.

4 VOLUNTARY CWD TESTING

If a hunter is not selected for mandatory testing but wants to know whether their harvested deer or elk has CWD, they can submit their animal's head and pay a testing fee of \$25. In 2023, testing fees for voluntary submissions will be waived for all moose statewide and all deer from hunt codes that were not selected for mandatory testing but are within the same GMUs that were selected for mandatory testing (see *list of GMUs on page 22*). Voluntary submissions are accepted annually statewide.

IMPORTANT PUBLIC HEALTH MESSAGE

Disease in humans resulting from CWD exposure has not been reported to date. However, public health officials cannot determine there is no risk from eating meat from infected animals. Consequently, officials recommend that people avoid exposure to CWD-infected animals. Please see the Colorado Department of Public Health and Environment website (cdphe.colorado.gov/animal-related-diseases/prion-diseases) for the most current recommendations on carcass testing and other preventive measures.

To minimize exposure to CWD and other diseases of potential concern, Colorado Parks and Wildlife (CPW) and state public health officials advise hunters not to shoot, handle or consume any deer, elk or moose that is acting abnormally or appears to be sick. When field-dressing game, wear rubber gloves and minimize the use of a bone saw to cut through the brain or spinal cord (backbone). Minimize contact with brain or spinal cord tissues, eyes, spleen or lymph nodes. Always wash hands and utensils thoroughly after dressing and processing game meat.

ILLEGAL ACTIVITIES

Find complete regulations online: cpw.info/regulations

THE TOP 10 MOST COMMON HUNTING VIOLATIONS IN COLORADO:

- 1. TRESPASSING.** Going onto private lands without getting permission first while hunting, fishing or performing any related activity is illegal. Private lands do not need to be posted or fenced, so it can be difficult to see boundaries. **Violators may be suspended for up to 5 years for trespassing.** This includes State Land Board properties not leased and signed by CPW, unless permission is given by the lessee.
You must have permission from the landowner to enter private land to retrieve a harvested animal. First, you should try to contact the landowner on your own. If that effort fails, call the local CPW office (*inside front cover*).
- 2. Failing to make a reasonable attempt to track and kill animals you wound or may have wounded.** Remember that it's against the law to pursue wounded wildlife that goes on private property without first obtaining permission from the landowner or person in charge. You must still attempt to gain permission to enter and locate the animal.
- 3. Failing to reasonably dress, care for, prepare and provide edible wildlife meat for human consumption.** At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not considered edible meat.
- 4. Hunting without a proper license.** Anyone who hunts wildlife must have in their possession the appropriate and valid Colorado resident or nonresident license that includes their Customer Identification (CID) number, and must only harvest wildlife of the species and type indicated on the license.
- 5. Mistakenly killing wildlife.** You must field dress and report big-game animals unintentionally killed, not due to carelessness or negligence, to a CPW office (*inside front cover*) (or the local Sheriff's office after CPW regular hours) before continuing to hunt and as soon as practical. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms, ammunition, etc. Big game accidentally killed does not count toward annual bag limits.
- 6. Not showing evidence of sex.** Be sure to leave evidence of sex naturally attached to the carcass. Evidence includes the head, the vulva or the scrotum. See "Evidence of Sex" on page 16 for more details.
- 7. Carrying loaded firearms while in or on any motor vehicle.** Firearms must be unloaded in the chamber. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzleloader in or on a motor vehicle; the chamber must be unloaded or the battery must be disconnected and removed from its compartment. **Most accidents involving firearms occur in or near vehicles.**
- 8. Carrying loaded firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons.** Firearms (except handguns) must be unloaded in the chamber and magazine. Firearms (except handguns) and bows must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. *This does not apply to landowners or their agents who carry a firearm on an OHV to take depredating wildlife on property they own or lease.*
- 9. Improperly voiding and/or attaching a carcass tag.** You must sign and detach the carcass tag from your hunting license immediately following taking your animal. It is illegal to sign or tear the carcass tag before harvest. The tag must also be attached to the animal properly. See "Carcass Tags," page 16.
- 10. Shooting from or across a public road with a firearm, bow or crossbow.** People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.

FELONY OFFENSES:

If convicted of a felony violation, you can face a lifetime license suspension:

- ▶ To kill and abandon big game. It is illegal to remove only the hide, antlers or other trophy parts and leave the carcass in the field.
- ▶ To sell, buy or offer to sell or buy big game.
- ▶ To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.

HUNTER ORANGE & PINK

HUNTERS MUST WEAR FLUORESCENT ORANGE OR PINK DURING CERTAIN HUNTING SEASONS.

The law requires hunters to wear **at least 500 square inches of solid daylight fluorescent orange or fluorescent pink material** on an outer garment above the waist while hunting deer, elk, pronghorn, moose or bear with any firearm license. **A fluorescent orange or pink hat or head covering, visible from all directions, is also required.** *Camouflage orange or pink does not qualify.* Mesh garments are legal but not recommended. **This includes all muzzleloader hunters. It also includes archery hunters who hunt during rifle seasons.**

Archers hunting during the limited Sept. rifle bear season, archers with an archery bear, deer, elk, pronghorn or moose license, and archers licensed for private land hunting through the Ranching for Wildlife program do not have to wear fluorescent orange or pink, but should consider wearing it to increase safety while in the field. Auction- and raffle-license holders do not have to wear orange or pink when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange or pink that is visible from all directions on the outside of the blind.

CPW RECOMMENDS WEARING FLUORESCENT ORANGE OR PINK CLOTHES IN THE FIELD, EVEN IF NOT HUNTING. Archery deer, elk, moose and bear hunters are encouraged to wear hunter orange or pink during the overlapping archery and muzzleloader seasons to help address safety concerns. Wearing orange or pink is for hunter safety, as big-game animals don't see these colors like we do: Movement, sound and smell are what give hunters away.

IT IS ALSO AGAINST THE LAW TO:

- ▶ Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- ▶ Hunt outside of legal hunting hours (one-half hour before sunrise to one-half hour after sunset).
- ▶ Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- ▶ Hunt under the influence of alcohol or controlled substances.
- ▶ Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- ▶ Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- ▶ Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
- ▶ For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- ▶ Use computer-assisted remote technology (any device, equipment or software used to remotely control a weapon, including the Internet) to hunt or fish. Hunters and anglers must be physically present in the immediate vicinity while hunting/ fishing.
- ▶ Use unmanned or remote-control drones to look for, scout or detect wildlife.
- ▶ Use live-action game cameras to locate, surveil, or aid/assist in locating/surveilling game wildlife in order to take/try to take wildlife during the same or following day. "Live-action game camera" is any device capable of recording and transmitting photographic/video data *wirelessly* to a remote device (such as a computer or smart phone). This doesn't include game cameras that record photographic/video data and store such data for later use, *as long as the device cannot transmit data wirelessly.*
- ▶ Use artificial light as an aid in hunting.
- ▶ Use poison, drugs or explosives to hunt or harass wildlife.
- ▶ Fail to extinguish a campfire completely.
- ▶ Party hunt (i.e. harvest someone else's game or let someone harvest yours).
- ▶ Use dogs. A leashed dog may be used as an aid in locating/recovering wounded big-game animals, except for black bears, with purchase of annual tracking permit.
- ▶ Hunt big game over bait, whether or not the person hunting personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
- ▶ Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- ▶ Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and tree stands for big-game hunting can be erected on CPW land, and no more than 30 days prior to the season during which they will be used. No nails can be driven into trees. Man-made materials for blinds or stands must be removed within 10 days after the season they are used in ends. The owner's CID number and dates of use must be visible on outside of portable blinds or underside of tree stands. Placement of blinds or stands does not reserve them for personal use: They may be used on first-come, first-served basis.

LICENSE RESTRICTIONS

FELONY OFFENSES & WEAPONS

Colorado and federal laws prohibit people convicted of certain crimes, including felony offenses and domestic violence-related offenses, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate Colorado and federal law enforcement authority to find out how these laws apply to you.

CHILD SUPPORT DELINQUENCY

State and Federal law require a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is deemed noncompliant by Child Support Enforcement.

BAG LIMITS

- BAG LIMITS, LICENSE PURCHASES:** The bag and possession limit is the total number of animals you can legally take of each species. Big game taken in Jan. and Feb. seasons set as part of the previous license year's seasons fall under the previous year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
- MOOSE:** The lifetime bag limit for bull moose is one, except for auction, raffle or special management licenses.
- COYOTES:** You can hunt coyotes without a small-game license during big-game seasons if you have an unfilled big-game license. You can hunt coyotes only in the same unit, season and manner of take as on your big-game license. Once you fill your big-game license, you must buy a small-game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big-game license.

CARCASS TAGS

- You must attach a carcass tag to animals you harvest per instructions on tag. Tags must be signed, dated and detached from the license immediately upon harvest. *See image at right for where to sign.*
- The carcass tag should be attached to the carcass (not to detached hides, horns or antlers carried separately) immediately prior to and during transportation in any vehicle, or while in camp or at a residence or other place of storage. Tags must stay on until meat is processed and remain with meat until consumed.
- The carcass tag, when dated, signed and attached to the species lawfully taken or killed and lawfully in possession, authorizes the possession, use, storage, and transportation of the carcass, or any part thereof.
- It is illegal to sign the tag before harvesting an animal.**
- Do not remove any parts of a license except the carcass tag **only after harvest**. Doing so voids the license and you must buy a duplicate. **The upper part of the license must be kept by whoever harvested the animal.**
- If you lose, accidentally destroy or detach the tag, you must buy a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental.
- If you have a nonresident big game/fishing combo license, the fishing license is valid after the carcass tag is detached, as long as the rest of the license is intact.

sample 2022 hunting license

Carcass tag portion of license

Detach and sign the carcass tag only AFTER harvesting your animal. You must then attach the tag to the carcass (not to the head or antlers).

EVIDENCE OF SEX

- It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal to have only detached evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.
 - EVIDENCE OF SEX IS:**
 - BUCK/BULL:** Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass.
 - DOE/COW:** Head, udder (mammary) or vulva attached to carcass.
 - BLACK BEAR:** Male: testicles or penis. Female: vulva.
 - Heads detached from carcass are not adequate evidence of sex.
 - If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
 - Evidence of sex is not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.
- TIP:** If you shoot a young buck or bull with antlers less than 5 inches long, it can be considered "antlerless." But what do you do about evidence of sex?
- Leave the head and antlers naturally attached to a portion of the carcass to prove it meets the requirement.
 - Leave the testicles attached to a portion of the carcass, and then you can detach the head or skull plate and carry it out with the antlers intact.

TRANSPORTING GAME

- You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
 - Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
 - Carcass tags or donation certificates (*for 20 pounds of meat or less*) must accompany processed game meat.
- Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
- To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
- Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.
- Nonresident hunters should follow their home state regulations in place for transporting harvested deer, elk or moose back from a state known to have CWD.
- See page 36 of the "Elk" section for antler-point restrictions.

DONATING GAME MEAT

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits. **NOTE:** A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

- You can donate to someone **WITH** or **WITHOUT** a like license:
 - any amount of processed and packaged game meat, anywhere.
- You can donate to someone **WITHOUT** a like license:
 - up to 20 pounds of unprocessed meat, anywhere.
 - more than 20 pounds of unprocessed meat, only at recipient's home.
- You can donate to someone **WITH** a like license:
 - up to 20 pounds of unprocessed meat, anywhere.
 - more than 20 pounds of unprocessed meat, anywhere, only if:
 - recipient's license is unfilled, and
 - recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.
- the entire carcass, if:
 - recipient's license is unfilled, and
 - donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

YOUTH HUNTING

Deer, elk, pronghorn and bear opportunities for hunters ages 12–17

BIG-GAME HUNTING RULES FOR YOUTH

Youth **AGES 12–17** who meet hunter education requirements (see page 6) have the opportunity to hunt big game in several ways: through the draw(s) or over the counter for regular seasons for deer, elk, pronghorn and bear; during the youth extended season for female deer, elk or pronghorn; and through youth outreach licenses.

AGE REQUIREMENTS:

- ▶ Youth ages 12–17 are offered reduced-cost licenses for deer, elk, pronghorn and bear.
- ▶ At age 11, youth may buy or apply for a license if they will turn 12 before the end of season on the license. Youth cannot hunt with the license until they turn 12.
- ▶ Youth who get their original license when they are 17 and later turn 18 may participate in the extended season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.
- ▶ Youth must be 12–17 at time of purchase to buy a youth unlimited or leftover license.
- ▶ In order to receive a reduced-cost license and/or youth preference in the draw, youth must be 17 or younger at the time of application.
- ▶ Youth hunters 12–15 years old *must be* accompanied by a mentor who is 18 or older and also meets hunter education requirements. Youth and mentors must be able to see and hear each other while hunting. Mentors can hunt only if they have a current license valid for the same units and dates the youth will be hunting.

THE DRAW(S): YOUTH DRAW PREFERENCE

- ▶ A minimum of 15 percent of limited licenses for doe pronghorn, antlerless and either-sex deer, and antlerless elk for each GMU shall be available for youth ages 12–17 who meet hunter education requirements (see page 6).

These licenses are available by draw for all seasons and methods of take, including early and late rifle seasons. Licenses not drawn by

youth are available to the public. *The Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.*

- ▶ Group applications are not accepted.
- ▶ GMUs 54, 55, 66, 67 and 551 have youth preference set at 50 percent for all antlerless deer licenses in those GMUs, if applicable.
- ▶ **NEW** A new private-land-only antlerless white tailed deer hunt code DF006P5R will have a youth preference set at 50%.
- ▶ If youth enter more than one hunt code on their application, **ALL HUNT CODES** must be youth-preference-eligible hunt codes (doe pronghorn, antlerless or either-sex deer, and antlerless elk) and/or youth-only hunt codes (such as D-F-043-K2-R or E-E-851-K2-R).
- ▶ Youth receive preference on **ALL HUNT CODES** available in the secondary draw.

YOUTH EXTENDED SEASON

Youth may pursue antlerless deer or elk during any rifle season open to antlerless hunts in valid GMUs (see page 18), as well as hunt pronghorn does during Dec. and the season that runs until Jan. 31, 2024 in GMUs 9 and 191 (see page 19).

HOW TO PARTICIPATE:

- ▶ Youth must have an unfilled limited antlerless deer, antlerless elk or either-sex elk license after their original season ends. Then they may participate in any open rifle antlerless deer or elk hunt that begins after the last day of the season listed on their original license. (*Does not include Ranching for Wildlife.*) See pronghorn rules on page 19. Youth may hunt in the areas specified on the maps (pages 18–19), and must hunt the same species listed on their original license.
- ▶ Youth can now easily convert their unfilled limited either-sex elk or either-sex pronghorn license (where the season has ended) to a female

(antlerless) license through the new online Youth Extended Hunt License Conversion Request form. Find the form here: cpw.info/youth-hunting. Youth can also take their original license to a CPW location to have it converted to an antlerless license before hunting any extended seasons.

- ▶ Youth must follow all applicable regulations for any hunts and units they select during the extended season, including season dates and geographic restrictions.
- ▶ Antlered licenses, over-the-counter licenses and either-sex plains rifle elk licenses may not be converted for extended youth hunting.

YOUTH OUTREACH LICENSES

Youth outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Organizations and youth hunters can learn more at cpw.info/hunter-outreach.

YOUTH EXTENDED SEASON: DEER & ELK HUNTS

1

CHOOSE YOUR SPECIES

Youth may hunt antlerless deer or elk in extended seasons. Youth may hunt only the species that is on their original license. "Antlerless" means female deer (does) and elk (cows), as well as young males of both species with antlers less than 5 inches long.

2

CHOOSE WHEN TO HUNT

If a youth does not fill their original limited antlerless deer, antlerless elk or either-sex elk license (see "Purchasing and Converting Licenses" to the right) — whether it's for archery, muzzleloader or rifle hunting — they may continue to hunt during any of the rifle seasons listed in this brochure, except for Ranching for Wildlife. They must hunt within areas specified on the maps on page 18, and there must be an antlerless hunt going on in the unit and season they wish to hunt.

3

PLAN AHEAD

To hunt deer or elk in the extended season, youth must buy a limited antlerless deer, antlerless elk or either-sex elk license. If they don't fill their tag during the original season, they will be able to continue hunting in certain areas of the state. Look at the maps on page 18 to make sure you purchase the original deer or elk license within the area you intend to hunt during the extended season.

4

FOLLOW THE RULES

When participating in the extended season, youth **MUST** follow all the rules of hunting during the rifle season, including wearing blaze orange or pink and using a method of take allowed in rifle season. Youth must also follow all unit restrictions where they choose to hunt in the extended season, including any private-land-only designations and any unit boundary restrictions.

YOUTH EXTENDED SEASON EXPLAINED ONLINE

A complete list of available hunts for the youth extended season and the valid units you can hunt in.

PURCHASING & CONVERTING LICENSES

- ▶ Youth must purchase their original license through the draw or from the leftover license list.
- ▶ Unfilled either-sex elk licenses must be converted to an antlerless license if the youth wishes to continue hunting an antlerless animal, either through the online Youth Extended Hunt License Conversion Request form (cpw.info/youth-hunting) or at a CPW office.
- ▶ Over-the-counter (OTC) archery licenses, OTC white-tailed licenses, antlered licenses and either-sex plains rifle elk licenses may NOT be converted to participate in the extended season.

DEER EXTENDED SEASON: YOUTH

WHERE TO HUNT DEER & ELK

- ▶ Youth may hunt in any area on the map within the red boundary that also contains the unit for which they purchased their original license. (Units with lines through them and blank, white areas are not open to extended-season hunting.)
- ▶ Youth may only hunt the extended season when an open antlerless rifle hunt is going on in the unit they choose to hunt.
- ▶ Unfilled antlered elk and deer licenses may not be used to participate in the program. Limited either-sex elk licenses must be converted to antlerless licenses, either through the online Youth Extended Hunt License Conversion Request form (cpw.info/youth-hunting) or at a CPW office, and are only valid to hunt and take antlerless elk after doing so.

FOR EXAMPLE: (see elk map at bottom left)

- An original license is purchased in the draw for a youth to hunt either-sex elk in unit 49 during archery season.
- The youth does not harvest during archery season and converts their unfilled license (see options above).
- The youth, accompanied by a mentor, may continue to hunt during any of the rifle seasons listed in this brochure for units 49, 57 or 58, as long as there is an antlerless season in progress in the unit the youth wants to hunt.

Look at the rifle elk tables in this brochure to find these hunts, or look at the list of acceptable hunts online at cpw.info/youth-hunting.

- If the youth wishes to continue hunting in unit 49, they may hunt Oct. 28–Nov. 5, Nov. 11–17 or Nov. 22–26. They may also hunt in units 57 or 58 from Oct. 14–18, Oct. 28–Nov. 5, Nov. 11–17 or Nov. 22–26, or on private land only during the late season, Oct. 1–Jan. 31, 2024. Why Oct. 1? The original archery season (Sept. 2–30) must be over before the youth can begin hunting the late rifle season.
- During the extended season, the youth may use any method of take allowed during rifle season. See page 14.

PRONGHORN LATE SEASON: YOUTH

WHERE TO HUNT PRONGHORN

- ▶ Youth must be ages 12–17.
- ▶ Youth must have an unfilled **NEW limited** pronghorn doe or either-sex license for a season anywhere in the state that has ended. If so, then they may participate in any Dec. pronghorn doe season in the state. For 2023, those units are:
79, 87, 88, 89, 95, 97, 105, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 143, 144, 145, 146, 147, 791 and 951.
Youth may also hunt through Jan. 31, 2024 in units 9 and 191.
- ▶ Youth with an unfilled either-sex pronghorn **NEW limited** license can either convert it to a doe license through the online Youth Extended Hunt License Conversion Request form (cpw.info/youth-hunting) or at a CPW office before hunting in a Dec. season or the late Jan. season.
Youth with doe licenses do not need to convert those licenses, the original license is valid for an extended hunt.
- ▶ Unfilled pronghorn buck licenses may not be used to participate in this program.
- ▶ Youth must comply with all regulations that apply to the Dec. season or the late Jan. season they hunt.

HYBRID DRAW

BEAR, DEER, ELK, PRONGHORN

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a “hybrid” drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the draw is to give hunters additional opportunity to draw a license for some of the state’s premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process. Nonresident caps apply.

HOW IT WORKS

Hunt codes that require 10 or more resident preference points to draw (**NEW based on a rolling 3-year average for the previous three limited license draws with a 1-year lag**), up to 20 percent of the available licenses may be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes (listed at right) and have at least five preference points for that species will automatically enter the hybrid draw.

- ▶ These hunt codes must be entered as your first choice on your application.
- ▶ Winning applicants in the hybrid draw will be selected randomly.
- ▶ Hunters who successfully draw a license in the hybrid draw lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

* Please be aware that hunt codes with an asterisk (*) had a low number of available licenses in previous years and may not have licenses available for the hybrid draw in 2023.

HUNTER QUALIFICATIONS

Qualified hunters wishing to participate in the hybrid draw must meet the following criteria and choose from the hunt codes listed at right as their first choice on their application.

1. Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the hybrid drawing.
2. Hunters must apply individually; group applications are not accepted.
3. Hunt codes that contain a W are Ranching for Wildlife properties. These hunts are for Colorado residents only.

There will be no charge for mandatory testing. Get more information about where and how to submit a CWD sample at cpw.info/cwd. Hunt codes selected for mandatory deer testing are highlighted on pages 22–31 of this section.

- ▶ **LOOK FOR THE BEAR PAW SYMBOL TO GET AN ADD-ON OVER-THE-COUNTER ARCHERY OR MUZZLELOADER BEAR LICENSE!** Some archery and muzzleloader bear licenses are available in unlimited numbers as “add-on” licenses only: You can add on one of these bear licenses if you have a deer or elk license for the same method of take and at least one unit overlaps.
 Check the archery and muzzleloader hunt code tables for deer (pages 23–26) and elk (pages 42–44), and the OTC archery maps for elk (pages 38–39) for the available add-on OTC bear license hunts. **Note that for some unit groupings, not every unit is valid for adding on an OTC bear license. Check the unit information in the tables carefully!** Also see page 66 of the “Bear” section.

Go to cpw.info/bear-hunts and check out the full list of every available bear hunt broken out by unit and hunt code to help find your ideal hunt.

LIST A, B & C: GET MORE THAN ONE DEER LICENSE

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables (see table example below). The List types exist so that you know if you can get more than one license for the same species. **See below for your options of getting more than one deer license!**

GET 1 LICENSE LIST A	A	▶ Check the hunt tables for List A licenses.
GET UP TO 2 LIST B	A+B or B+B	▶ Private-land-only antlerless licenses ▶ Private-land-only antlered tags in units 29, 38, 51, 391, 461 ▶ Over-the-counter licenses for either-sex white-tailed only ▶ White-tailed-only antlerless licenses — <i>except on RFW properties</i> ▶ Check the hunt tables for more List B licenses.

HOW TO GET THEM:

- ▶ **LIST A & B:** You may purchase **ONE** List A and **ONE** List B license per year, **OR TWO** List B licenses per year. These licenses are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- ▶ **LIST C:** You may purchase as many List C licenses per year that you'd like, in addition to any other licenses you hold. These are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- ▶ **EXAMPLE:** If you get a List B license in the primary draw, you can get either a List A or List B license in the secondary draw, and multiple List C licenses as leftover or over-the-counter licenses.

PREFERENCE POINTS

To apply for a point, enter **D-P-999-99-P** as your first-choice hunt code on your application.
 You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. **Note that the secondary draw does not gain or use preference points.**

All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, \$11.50 Habitat Stamp and qualifying license are nonrefundable. See page 9.

DEFINITIONS

- ▶ **SPECIES IDENTIFICATION PAGE.** White-tailed and mule deer. See pages 11 and 33.
- ▶ **BUCK (ANTLERED):** A male animal with antlers at least 5 inches long. There are no antler-point restrictions for deer.
- ▶ **DOE (ANTLERLESS):** A female animal with no antlers. Antlerless can also mean a young male with antlers less than 5 inches.
- ▶ **EITHER SEX:** A legal buck or doe.

TABLE SYMBOLS

- ▶ **A PLUS (+)** in the **SEX** column is for hunt codes for which an average of at least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. **NEW** Now calculated by the number of preference points an adult Colorado resident needed to draw a specific license on average during the previous 3 limited license draws, with a one year lag.

WHITE-TAILED ONLY

OVER-THE-COUNTER LICENSES: LATE RIFLE

WHAT CAN I EXPECT?

These over-the-counter licenses provide an opportunity to hunt white-tailed deer in a portion of the state where mule deer are the primary species of management interest.

This means there are few white-tailed deer in the area, and hunters can expect to see more mule deer than white-tailed deer when hunting in these GMUs.

WHERE ARE THE WHITE-TAILED FOUND IN THIS SEASON?

White-tailed deer in these GMUs can be most commonly found along lower-elevation river bottoms.

Hunters should focus on these areas to improve their chances of finding white-tailed deer. Much of the white-tailed deer habitat is located on private lands where permission is required prior to hunting.

WHAT METHOD OF TAKE CAN I USE?

The license is valid for any legal method of take. However, because this is a rifle season, hunters are required to follow blaze orange or pink requirements (see page 15), regardless of the type of weapon used.

Some public properties prohibit the use of rifles and/or muzzleloaders. Check property regulations to determine what types of weapons are legal before going afield.

WHAT IS THE BEST WAY TO IDENTIFY A WHITE-TAILED DEER?

The best way to tell the difference between a white-tailed deer and a mule deer is the tail.

White-tailed deer tails are broad and brown from top to bottom with a white fringe. Mule deer have a white rump patch and tail, with a black tip on the tail.

See chart at right for further comparison.

CAN'T I JUST LOOK AT THE ANTLERS?

Antlers differ between the species, but are not a reliable distinguishing characteristic between white-tailed deer and mule deer.

WHAT IF I SHOOT A MULE DEER ACCIDENTALLY?

Hunters must be certain of their target to avoid killing a mule deer with a white-tailed-only license.

However, accidents happen. Please report any mistaken kills immediately to the nearest CPW office (listed on the inside front cover of this brochure) or the District Wildlife Manager in the area. See the "Hunting Laws" section on page 15 for more details.

SEASON DATES: Dec. 1–31

LICENSES: Either Sex

LIST: B

LICENSE AGENTS ONLY: D-E-048-U6-R

VALID UNITS:

48, 49, 56, 57, 58, 59, 69, 84, 85, 86, 140, 481, 511, 561, 581, 591, 691, 851 *except Bosque del Oso SWA, 861*

These licenses are sold only at CPW offices and state parks that sell hunting licenses. Hunters will receive more information about white-tailed identification when a license is purchased. **These are unlimited in number and go on sale starting at 9 a.m. on AUG 1.**

ATTENTION HUNTERS:

White-tailed are at low-density populations in this area and are mostly found on private land.

IDENTIFYING WHITE-TAILED VS. MULE DEER

WHITE-TAILED DEER

- ▶ **PRIMARY CHARACTERISTIC — THE TAIL:** The first thing to look for is the tail. It's broad and brown with white fringe, all white when tail is up
- ▶ **ANTLERS:** consist of one main beam with three to five tines pointing upward. *Caution:* Mule deer with small antlers may appear to have a similar antler formation.
- ▶ **EARS:** smaller in proportion to head
- ▶ **GAIT:** a graceful lope, flag-like tail often held up
- ▶ **RANGE:** common on Eastern Plains, in streamside wooded areas and cropland along rivers

MULE DEER

- ▶ **TAIL:** rope-like tail with black tip
- ▶ **ANTLERS:** fork and fork again — often very evenly — on older males
- ▶ **EARS:** large in proportion to head on both bucks and does
- ▶ **GAIT:** stiff-legged bounce, tail held down
- ▶ **RANGE:** statewide, in mountain shrubs, foothills, communities

MOST LAND IS PRIVATE IN UNITS EAST OF I-25.
 Landowner permission is advisable before applying for hunts in these units.
 Such units include: 107, 114, 115 and 121.

PREFERENCE POINTS

To apply for a point, enter **E-P-999-99-P** as your first-choice hunt code on your application. You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. **Note that the secondary draw does not gain or use preference points.**

All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, \$11.50 Habitat Stamp and qualifying license are nonrefundable. *See page 9.*

OTHER HUNTS

SAN LUIS VALLEY REFUGE ELK PERMITS

The USFWS allows a maximum of 5 elk hunters to access and hunt on the Alamosa (GMU 83) and Monte Vista (GMU 80) National Wildlife Refuges at any one time. The application and draw process creates a hunter list for each season, identifying the first 5 hunters and the position of the others on the list. As elk are harvested, hunters from the list are given permits to hunt.

To be eligible for an access permit and before they submit their application, hunters must hold an elk license that is valid for the season and refuge for which they wish to apply. The following seasons are open to permitted hunting on each of these refuges: archery; muzzleloader; first rifle; third rifle; fourth rifle.

To be entered into the drawing, starting the day after leftover licenses go on sale, eligible hunters must email montevista.wildlife@state.co.us. Hunters will receive an automatic email response with a link to the Refuge Access Permit Application Form. Hunters will then need to provide certain information to apply: name, phone number and email address; the hunt code for the license with which they wish to hunt; and their CID number.

Hunters will need to complete the application form and select the correct refuge for which their license is valid in order to be entered. Applications will be accepted for 5 days, starting the day after leftover license day. Permits for the refuges will be issued via email after a random drawing held under the direct supervision of the Area Wildlife Manager and no later than August 25 annually.

BACA NATIONAL WILDLIFE REFUGE

The Baca National Wildlife Refuge (GMU 82) is open to hunters who have purchased a valid, regular season, public land elk license for GMU 82. Contact the Monte Vista office for refuge-specific rules and information: montevista.wildlife@state.co.us

SAN LUIS VALLEY GAME DAMAGE ELK HUNT

A private-land-only elk damage hunt may be offered in units 79 (*S of Colo. 112*), 82, 682 and 791. Contact the CPW office in Monte Vista, 719-587-6900, for details. These licenses are List B.

GMUs 79 (*S of Colo. 112*), 82, 682 & 791:

Bull seasons: May 15–July 31 and Aug. 15–Feb. 28.

Cow season: Aug. 15–Feb. 28.

LIST A, B & C: GET MORE THAN ONE ELK LICENSE

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables (see table example below). The List types exist so that you know if you can get more than one license for the same species:

- ◆ **List A:** You can only get **ONE** List A license = **A**
- ◆ **List B:** If a hunt is List B, you can get up to **TWO** licenses: one List A license and one List B license, or two List B licenses = **A+B** or **B+B**
- ◆ **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc.** or **B+B+C+C+C, etc.**

See the chart below for your options of getting more than one elk license!

TAXIDERMY

If you leave the head of your harvest with its antlers at a taxidermist, you are encouraged to get a receipt from the taxidermist — with date delivered and a description of the antlers — before you take the carcass home or to a commercial processor.

HANDLING ANTLERS IN CAMP

Head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls in camp or in transit, even when the scrotum or testicles are used as evidence of sex.

PRESERVE. CONSERVE. ENJOY. LEAVE NO TRACE!

The LEAVE NO TRACE PRINCIPLES are the best way to minimize your impact while hunting:

- ▶ **PLAN AHEAD AND PREPARE:** Get permission to hunt private land, respect road closures, leave gates as found.
- ▶ **TRAVEL AND CAMP ON DURABLE SURFACES:** Good campsites are found, not made. Use existing sites whenever possible.
- ▶ **DISPOSE OF WASTE PROPERLY:** Pack it in, pack it out. All trash including food scraps and toilet paper.
- ▶ **LEAVE WHAT YOU FIND:** Sight-in firearms away from hunting areas, do not use signs for target practice. Clean all gear between trips.
- ▶ **MINIMIZE CAMPFIRE IMPACTS:** Use an established fire ring or fire pan, and don't put trash or food in the fire pit.
- ▶ **RESPECT WILDLIFE:** Never feed wild animals; store your camp food and trash securely.
- ▶ **BE CONSIDERATE TO OTHER VISITORS:** Be aware of the direction you shoot and be courteous and welcoming to others you see.

The LNT Center respects the tradition of hunting on public lands, expects hunters to abide by state game and hunting laws, and encourages all hunters to put Leave No Trace skills and ethics into action on every hunt. TIPS FOR SAFELY HANDLING GAME MEAT

Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing or carrying disease that could make humans sick. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:

1. Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a CPW office near you.
2. Keep game cool, clean and dry.
3. Do not eat, drink or smoke while dressing game.

4. Use disposable gloves when cleaning game.
5. Wash your hands with soap and water or use alcohol wipes after dressing game.
6. Clean all tools and surfaces immediately after use. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
7. Cook game meat to an internal temperature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.
8. Do not eat any raw portions of wild game.
9. Do not feed raw wild game to domestic pets.

PRONGHORN

Pronghorn buck © Tony Gurzick, CPW

PRONGHORN SEASON DATES

- ▶ **ARCHERY** **AUG. 15–SEPT. 20***
- ▶ **MUZZLELOADER** **SEPT. 21–29**
- ▶ **RIFLE** **OCT. 7–15***

Check hunt code tables for early and late rifle season dates for certain hunts, pages 56–57.

*unless otherwise noted in the brochure tables

ATTENTION HUNTERS:

MOST LAND IS PRIVATE EAST OF I-25, IN MANY PRONGHORN HUNTING AREAS. Landowner permission is advisable before applying for the following units, as most land is private: 9, 104, 107, 110, 112, 113, 114, 115, 116, 120, 121, 128, 129, 130, 132, 136, 137 and 214.

NEED TO KNOW

- ▶ **NEW PRIVATE-LAND-ONLY RIFLE HUNTS IN GMU GROUPING 120, 121, 125 & 126:** The GMU grouping of 120, 121, 125 and 126 has one new buck hunt and two new doe hunts. See “Rifle” table, page 57.
- ▶ **NEW ARCHERY AND RIFLE HUNTS FOR GMU 83:** See pages 55–56.

▶ **NEW A PLUS (+)** in the **SEX** column is for hunt codes for which an average of at least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. These hunt codes are calculated by the number of preference points an adult Colorado resident needed to draw a specific license on average during the previous 3 limited license draws, with a one year lag. See the following hunt code tables.

PREFERENCE POINTS

To apply for a preference point, enter **A-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. **Note that the secondary draw does not gain or use preference points.**

All big game species, except for moose, Rocky Mountain big-horn sheep and mountain goat, do not have a preference point fee. The application fee, \$11.50 Habitat Stamp and qualifying license are nonrefundable. See page 9.

DEFINITIONS

- ▶ **SPECIES IDENTIFICATION.** See page 11.
- ▶ **EITHER:** A legal buck or doe.
- ▶ **BUCK:** A male animal with horns at least 5 inches long from skull to tip, excluding a prong or point between the base and tip. Bucks have a black cheek patch.
- ▶ **DOE:** A female has horns that are less than 5 inches and no black cheek patch. Young bucks do have a black cheek patch; those with horns less than 5 inches long are also in this category. Fawns of either sex are considered does.

Archery buck and doe pronghorn licenses are available by draw and over the counter. All muzzleloader and rifle pronghorn licenses are limited, available through the draw only.

LIST A, B & C: GET MORE THAN ONE PRONGHORN LICENSE

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables (see table example below). The List types exist so that you know if you can get more than one license for the same species:

- ♦ **List A:** You can only get **ONE** List A license = **A**
- ♦ **List B:** If a hunt is List B, you can get up to **TWO** licenses: one List A license and one List B license, or two List B licenses = **A+B** or **B+B**
- ♦ **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C**, etc. or **B+B+C+C+C**, etc.

See below for your options of getting more than one pronghorn license!

MOOSE

Moose © Vic Schendel for CPW

MOOSE SEASON DATES

▶ ARCHERY	SEPT. 9–30
▶ MUZZLELOADER	SEPT. 9–17
▶ RIFLE	OCT. 1–14*

Check the hunt code tables for separate cow and bull/either-sex moose hunting opportunities.

**unless otherwise noted in the brochure tables*

NEED TO KNOW

- ▶ **NEW** NEW RESIDENT COW MOOSE HUNTS FOR GMUs 33, 34, 44, 45, 47 & 471: See pages 59–60 for the new cow hunts for archery, muzzleloader and rifle seasons.
- ▶ **NEW** NEW BULL MOOSE HUNTS FOR GMUs 33, 34, 47 & 471: See page 61 for the new resident season choice bull hunts.
- ▶ UNITS 1, 20, 38, 44, 45, 53, 54, 55, 63, 65, 68, 74, 75, 79, 201, 551 & 681 have low-density moose populations, and currently there is very little harvest history for these hunts. Some moose habitat occurs on private land, so be sure to get landowner permission before hunting.
- ▶ THE LIFETIME BAG LIMIT for antlered moose is one. All licenses available by draw. If you've harvested a bull, you may not apply for an antlered or either-sex license.

DON'T FORGET!

You can exchange your moose license for a different method of take within the same unit. Take your tag to a CPW location to exchange it to hunt in a different season. The exchange fee still applies: \$5 flat fee (formerly 50 percent of the cost of the license, not to exceed \$25)

MANDATORY MOOSE INSPECTIONS

- 1. ALL MOOSE LICENSE HOLDERS** must complete and return a mandatory report provided by CPW within 30 days after their hunting season ends. Anyone who does not complete and return it, including those who were unsuccessful or did not hunt, will not be eligible for a future moose license or point.
- 2. ALL MOOSE MUST BE PRESENTED IN PERSON FOR INSPECTION** within five working days of harvest. Hunters must submit the head and lower jaw of antlered moose with antlers attached, and either the head and lower jaw OR an incisor of antlerless moose to a CPW office during normal business hours. A mandatory report will be completed during inspection.
- 3. TOOTH EXTRACTION IS MANDATORY.** An incisor will be removed from the lower jaw and retained to determine age. Heads must be unfrozen for inspection.
- 4. VOLUNTARY CWD TESTING.** During inspection, hunters may choose to have their moose tested for chronic wasting disease. CWD testing fees are waived for all moose in 2023.

CPW RECOMMENDS WEARING FLUORESCENT ORANGE OR PINK CLOTHES IN THE FIELD, EVEN IF NOT HUNTING

Hunters are encouraged to wear hunter orange or pink during the overlapping archery and muzzleloader seasons to help address safety concerns. See "Hunter Orange & Pink" on page 15.

LIST A, B & C: GET MORE THAN ONE MOOSE LICENSE

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables (see table example below). The List types exist so that you know if you can get more than one license for the same species:

- ▶ **List A:** You can only get **ONE** List A license = A
- ▶ **List B:** If a hunt is List B, you can get up to **TWO** licenses: one List A license and one List B license, or two List B licenses = **A+B** or **B+B**
- ▶ **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C**, etc. or **B+B+C+C+C**, etc.

See the chart below for your options of getting more than one moose license!

UNIT	DATES	SEX	HUNT CODE	LIST

DEFINITIONS

- ▶ **SPECIES IDENTIFICATION PAGE.** See page 11.
- ▶ **BULL (ANTLERED):** A male with antlers at least 5 inches long.
- ▶ **COW (ANTLERLESS):** A female with no antlers. "Antlerless" also means a young male with antlers less than 5 inches long.

PREFERENCE POINT HUNT CODE; PREFERENCE POINT FEE; WEIGHTED PREFERENCE POINTS

- ▶ To apply for a preference point only, enter **M-P-999-99-P** as your first-choice hunt code on your application. You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second choice on the same application to apply for a license.
- ▶ Moose, Rocky Mountain bighorn sheep and mountain goat have a preference and weighted preference point fee. If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, **you'll be charged a \$50 resident or \$100 nonresident preference point fee.** *The fee is waived for youth and resident lifetime license holders. Residents who are in the military on active duty outside Colorado can request a preference point fee refund.*
- ▶ You'll have the option to **OPT OUT** of paying the preference point fee while filling out your draw application(s), and therefore will not be charged the fee and will **NOT** acquire a preference or weighted point for 2023. This includes if you

- apply for a preference point hunt code as your first choice.
- ▶ If you apply for a point only, your credit card on file will be charged after the draw. The application fee, \$11.50 Habitat Stamp and qualifying license are nonrefundable. If your card can't be charged, you will get an email notification. If you don't pay by the payment deadline (**JUNE 16**), you will forfeit your preference point for 2023. *For more, see "Preference Points" on page 9.*

MOOSE LICENSE DRAWS USE WEIGHTED PREFERENCE POINTS:

1. There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado: moose, Rocky Mountain bighorn sheep and mountain goat.
2. Weighted preference increases your probability of drawing and applies to both male and female licenses.

3. Hunters can only accumulate up to three points for moose. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference.
4. Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.
5. This generates a new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

NOTE: The preference point fee for moose, Rocky Mountain bighorn sheep and mountain goat applies to preference points **AND** weighted preference points. For more details, go to: cpw.info/weighted-preference

NEED TO KNOW

▶ **NEW PREFERENCE POINT REQUIREMENT UPDATED FOR CERTAIN GMU 851 RIFLE BEAR HUNT CODES:** Several limited rifle bear hunt codes for GMU 851, Bosque del Oso SWA only, now have an average of at least six preference points needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. These hunt codes are calculated by the number of preference points an adult Colorado resident needed to draw a specific license on average during the previous 3 limited license draws, with a one year lag. See page 65 and What's New.

▶ LOOK FOR THE BEAR PAW SYMBOL TO GET AN ADD-ON OVER-THE-COUNTER ARCHERY OR MUZZLELOADER BEAR LICENSE!

Some archery and muzzleloader bear licenses are available in unlimited numbers as “add-on” licenses only: You can add on one of these bear licenses if you have a deer or elk license for the same method of take and at least one unit overlaps. Check the archery and muzzleloader hunt code tables for deer (pages 23–26) and elk (pages 42–44), and the OTC archery maps for elk (pages 38–39) for the available add-on OTC bear license hunts. Go to cpw.info/bear-hunts and check out the full list of every available bear hunt broken out by unit and hunt code to help find your ideal hunt.

BEAR-SPECIFIC HUNTING LAWS

- ▶ **INSIDE DENS:** Hunting, harvesting or harassing bears inside their dens is prohibited.
- ▶ **CUBS:** Black bears accompanied by one or more cubs cannot be killed. Cubs (bears younger than one year old) cannot be killed.
- ▶ **HIDES:** Having a carcass, hide, skull, claws or parts of bears without a valid hunting license or unless authorized by CPW is illegal. It is also illegal to sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
- ▶ **CARCASS TAGS:** See page 16 for detailed instructions on when to detach your tag and how to transport your harvest.
- ▶ See pages 14–16 for important additional hunting laws.

PREFERENCE POINTS

To apply for a preference point, enter **B-P-999-99-P** as your first-choice hunt code on your primary draw application.
 You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. Note that the secondary draw does not gain or use preference points.
 All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, \$11.50 Habitat Stamp and qualifying license are non-refundable. See “Preference Points” on page 9.

LIST A, B & C: GET MORE THAN ONE BEAR LICENSE

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables (see table example below). The List types exist so that you know if you can get more than one license for the same species:

- ▶ **List A:** You can only get **ONE** List A license = **A**
- ▶ **List B:** If a hunt is List B, you can get up to **TWO** licenses: one List A license and one List B license, or two List B licenses = **A+B** or **B+B**
- ▶ **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C...**, etc. or **B+B+C+C+C...**, etc.

See below for your options of getting more than one bear license!

- ▶ **OVER-THE-COUNTER:** Sold at sales agents, CPW locations and online for rifle, archery and muzzleloader seasons. OTC archery and muzzleloader bear licenses are add-on only licenses. See page 66 for details.

MANDATORY BEAR INSPECTIONS & SEALS

Hunters must **personally present their bear** to any CPW office (*see inside front cover*) during normal business hours, or by appointment with a CPW officer, for a free inspection, check report and sealing within five working days after harvest.

Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned. Meat needs to be prepared for human consumption.

At inspection, CPW is authorized to extract and keep a premolar tooth. If the head and hide are frozen, CPW may keep them long enough to thaw so that

a tooth can be removed. Hunters can help by making sure the jaw is propped open with a stick before rigor mortis sets in.

Bears cannot be taken out of Colorado until hide and skull are inspected and sealed. Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.

To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, 303-342-7430. Do not call the U.S. Fish and Wildlife Service about inspections or seals for bears.

MULTIPLE OPTIONS FOR HUNTING BEAR!

There are multiple ways to get a license and hunt bear in Colorado. For example:

Hunter A: Hunter A only likes to hunt bear, so hunter A would need to:

1. Apply for a **limited** archery, muzzleloader or rifle bear license from the hunt code tables on pages 63–65. And/or:
2. Buy an **over-the-counter** rifle bear license when OTC licenses go on sale Aug. 1 at 9 a.m. (*hunt code tables on page 67*).

Hunter B: Hunter B is planning to draw a deer or elk license, so hunter B has two options:

1. Also apply for a **limited** archery, muzzleloader or rifle bear license.
2. Wait to see if they are awarded an archery or muzzleloader deer or elk license, and then add on an **over-the-counter** bear license of the same method of take that matches at least one of the same units when OTC licenses go on sale.

Hunter C: Hunter C does not participate in the draw, but purchases an over-the-counter archery elk license every year. Hunter C will wait until **over-the-counter** licenses go on sale, purchase an OTC archery elk license, and then add on an OTC archery bear license that matches at least one of the same units. *There are no OTC archery deer licenses or OTC muzzleloader licenses for any species available.*

ADD-ON OVER-THE-COUNTER LICENSES

Hunting bear during archery and muzzleloader deer and elk seasons:

- ▶ **WHEN YOU SEE THE BEAR PAW SYMBOL:** You can purchase an add-on over-the-counter archery or muzzleloader bear license **ONLY** if you have a deer or elk license for the same method of take:
 - You **must** have any deer or elk license that is valid during archery season before you can purchase an over-the-counter archery bear license.
 - You **must** have any deer or elk license that is valid during muzzleloader season before you can purchase an over-the-counter muzzleloader bear license.
 - At least **one** game management unit on your deer or elk license must match **one** unit listed on your bear license.

- ▶ **CHECK THE DEER & ELK HUNT CODE TABLES:** Look for the bear paw symbol in the archery and muzzleloader hunt code tables for deer (pages 23–26) and elk (pages 42–44), and the OTC archery maps for elk (pages 38–39) to find hunts with add-on archery and muzzleloader bear licenses available.
- ▶ **WHEN YOU CAN HUNT:** You may hunt bear any time during the dates specified in the archery and muzzleloader tables below, with the correct method of take.
- ▶ **WHERE YOU CAN HUNT:** You may hunt bear in any of the unit(s) listed in the table for which your bear license is valid. **If your deer or elk license is for private land only, you must use your bear license on private land only.**

OVER-THE-COUNTER RIFLE LICENSES: OTC rifle bear licenses are **NOT** add-on licenses, meaning you don't have to have an elk or deer license in order to purchase one of these bear licenses. See the next page for more information on over-the-counter rifle licenses.

OVER-THE-COUNTER LICENSES

You can purchase licenses even after a season has started: Available online, by phone and in person at CPW offices and sales agents around the state.

These licenses are **NOT** available through the draws. If you apply for these hunt codes in a draw, your application will be automatically disqualified. Licenses are available on a first-come, first-served basis starting at **9 A.M. on AUG 1.**

Certain rules apply to over-the-counter archery and muzzleloader bear licenses: See "Add-on Over-the-Counter Licenses" on the previous page.

REMEMBER! Over-the-counter rifle bear licenses are **NOT** add-on licenses, meaning you don't have to have an elk or deer license in order to purchase one of the bear licenses in the tables below.
