Why Attend?

- Collaborate with fellow OHV enthusiasts, club leaders, and advocates from across the state.
- Contribute to strategic discussions that will strengthen both the state association and your local organization.
- Learn about the upcoming Volunteer Trail Ambassador Program and how you can get involved in promoting responsible recreation.
- Take home actionable ideas and resources to help your club grow and thrive.

Travel Support

To support participation, PaOHV will reimburse reasonable travel expenses for one representative from each supporting club.

Let's build a stronger, more unified voice for OHV recreation in Pennsylvania. We hope to see you there!
