

## Max Wind Gusts Today

## What To Expect

Coastal low continues to wobble around in the Gulf of Maine today

- ✓ Snow will continue periodically in interior areas. Some light accumulations are possible today. Closer to the coast, these may be rain showers in the afternoon.
- ✓ Still breezy today with wind gusts of 20-30 mph possible.
- ✓ Road closures and downed trees still an issue today.
- ✓ Rain and snow showers continue into Saturday, although accumulating snow will be limited to the mountains

Dryer with some clearing Sunday with mainly clear skies and warmer temperatures on Monday.
