II. INFORMATION FOR BUDGET JUSTIFICATIONS & ANNUAL REPORTS

1. Accomplishments. Please identify your primary accomplishments for this past fiscal year. In 1 – 3 sentences please identify the project, funding sources and partner organizations that assisted with implementation. List no more than 5 accomplishments.

- **Sanpete County**

- Native American Interpretive Site Project**

- Total Project Cost: \$60,486 Federal Funding: \$30,000 Matching Funds: \$30,486**

- This project centers on a four-year plan to pay tribute to the Native Americans who owned the land in Sanpete County before Mormon pioneers established towns. Sanpete County is named after an Indian Chief whose name was Sanpitch.

- The first phase of the master plan centers on developing a life size bronze statue of Sanpitch. The statue will be placed on Highway 89 near the railroad depot. Sanpitch will be looking westward to his homeland and the place he was assassinated (see Discovery Road TV show, "The Lost Tomahawk"). A bronze placard will be placed on the monument to tell his story and its significance.

- Thus, statue will be the centerpiece and one of four other statues that will depict the importance of Native American culture in the MPNHA. Other chiefs to be honored include Blackhawk and Walkara, both of whom were related to Sanpitch.

- The project is being coordinated with the North Sanpete Arts Council, the Utah Division of State History, the Utah Arts Council, the Utah Division of Indian Affairs and the MPNHA Native American Ombudsman.

- **Historic Preservation Projects: Mt Pleasant and Fairview**

- Total Project: \$80,000 Federal: \$30,000 Match: \$50,000**

These projects are recommended by our partner Roger Roper, Deputy SHPO Officer, State of Utah: Roof and façade work on a Mt. Pleasant City Main Street Building that was built in the 1880s. The original use was a dentist's office in the upper level and a grocery store on the first floor. In 1917, it housed the first telephone office in the City. Subsequently, the building was used for a cafe. Work consists of a new roof and façade restoration. Preservation work will support local economic development by making the historic building available to local businesses. Roger Roper is directing the work and will follow through with SHPO approvals.

The historic building on Main Street in Fairview is a two-story structure that is currently vacant. Preservation work will support local economic development by making the historic building available to local businesses. This project centers on a new roof. Roger Roper is the project coordinator and will do SHPO approvals.

- **Mt. Pleasant City in conjunction with the non-profit entity at Track 89 North**

- Boxcar Motel Visitor Experience Project**

- Total Project Cost: \$135,108.79 Federal Funding: \$10,000 Matching Funds: \$125,108.79**

- The boxcar motel, featuring nine boxcars, a caboose, and engine that will be arriving in the summer of 2021, will be enhanced by the construction of a gazebo and accompanying landscaping to enhance the visitor experience.

- The partnership for development and enhancement includes Mt. Pleasant Community Development and Renewal Agency, the Coffee Depot and Track 89 North.

- **NorthStar Video**

- Discovery Road TV Series Project**

- Total Project: \$44,000**

- Federal: \$22,000**

This is an ongoing TV series that tells the story of Mormon pioneer heritage. The show is produced in coordination with public television station KUEN and the Utah Education network. Funding includes research, writing, archival acquisition, camera and lighting packages, audio, ancillary equipment, editing, music, post-production and executive producing.
