

Travel Guide to the Mormon Pioneer National Heritage Area

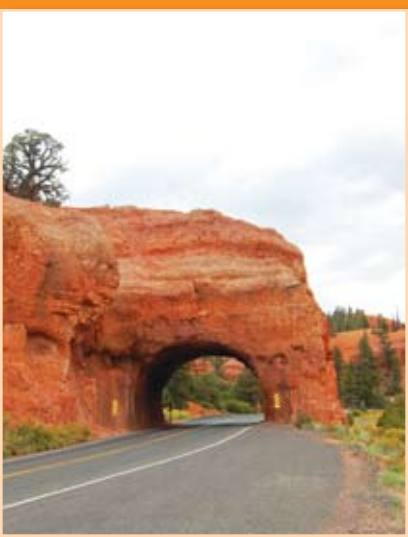

UTAH HERITAGE HIGHWAY

National Parks
The Mormon Pioneer National Heritage Area features the unparalleled natural beauty of its National Parks and Monuments—Bryce, Zion, Capitol Reef, Glen Canyon and Grand Staircase-Escalante. The ruggedness of the terrain portrays the true grit of the Mormon pioneers who carved out towns in this sweeping and challenging landscape.

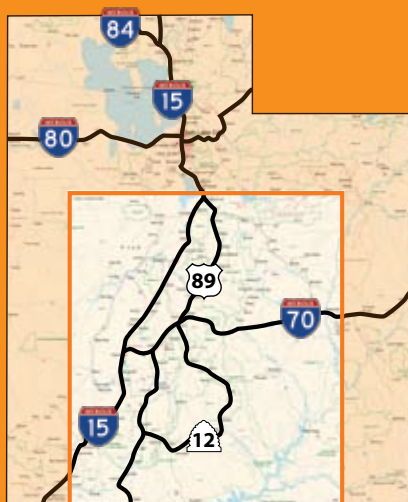

State Parks
In a land known for its spectacular scenery, these parks are standouts. Sweeping landscapes create a brilliant backdrop for your adventure, while the history of the region will enrich your travel experience.

Scenic Byways
The Mormon Pioneer National Heritage Area boasts several National and State Scenic Byways. These scenic byways weave memorable visual experiences into your imagination as you reflect on the lives of tenacious Mormon Pioneers breaking trails, building rough roads, fording streams, and starting small communities with Faith as their guide—step by step, mile by mile.

Activities
There is something for everyone, regardless of age, ability or interest—from high adventure to soft adventure, or just relaxing and exploring the rich history and culture surrounding you.
